

The Committee and Holloway

The action of the democratic executive committee in its efforts to eliminate Mr. Holloway from the state ticket we believe will be generally approved by the good people of the state and by some of the politicians.

For months past two-thirds of the democratic newspapers of the state have demanded Mr. Holloway's withdrawal and the sentiments of the people voiced through and by its newspapers was carried into effect by more than a two-thirds vote of the state democratic executive committee and this will be about the way the democratic vote will be recorded at the polls. There is a question of course whether or not the committee had the legal right to eliminate Mr. Holloway's name from the ticket or substitute another or whether it had the right to do exactly what it did do. But, the majority of the voters of the state believe that it is invested with the inherent right to do the right and in doing the thing it did it has established a precedent along moral lines that will make the name of democracy in Florida stand as the synonym for purity.

The action of the committee says to the world that the democratic nominees of Florida must be men of approved moral character and standing and above the whisper of suspicion—sans peur et sans reproche.

Better Than Pills.

The question has been asked—in what way are Chamberlain's Stomach and Liver Tablets superior to the ordinary cathartic and liver pills? Our answers is—they are easier and more pleasant to take and their effect is so gentle and agreeable that one hardly realizes that it is produced by a medicine. Then they not only move the bowels but improve the appetite and aid the digestion. For sale at 25 cents per bottle by all druggists. m

Mr. Raiford Wilson Walker, of this city, and Miss Lavalette Martin, of Ocala, Florida, were married at the home of the bride's sister, in Barnesville, yesterday. The happy pair arrived in this city, where they will make their home, Thursday, and are receiving the congratulations of a host of friends. The groom is a son of Mr. and Mrs. George W. Walker, of this city, and is assistant agent and day operator for the Southern railway here. He has the business qualifications and has risen rapidly in the line of business he selected. He has hundreds of firm friends here, where he was reared, and richly deserves the good opinion and respect he has won. The bride is a daughter of Mrs. Annie S. Martin, who has been stopping for part of the summer in this city. She is an attractive young lady and has many friends here and in Florida, where the family has a winter home, and in Virginia, where she spends her summers.—Gainesville (Ga.) cor. Atlanta Journal.

Presidential Election Will Make No Change.

No matter which candidate is elected, Foley's Honey and Tar will remain the people's favorite remedy for coughs, colds and incipient consumption. It cures colds quickly and prevents pneumonia. A. J. Nusbaum, Batesville, Ind., writes: "I suffered for three months with a severe cold. A druggist prepared me some medicine and a physician prescribed for me, yet I did not improve. I then tried Foley's Honey and Tar and eight doses cured me." Postoffice Drug Store. m

The reading club held their weekly meeting Tuesday afternoon with Misses Sara and Violet Harris. Almost every member was present and it was voted to take up the Bay View literary course, of Detroit, (Mich.) the coming winter. The literature of Germany will be studied by the club for another year. Mrs. G. S. Scott read a splendid article on the "Woman Question in Germany," which was very much enjoyed. Next week Mrs. Scott will be the hostess of the club.

Mr. L. Ballard, proprietor of the Ocala Pressing Club, requests us to state that he is now in a position to press and clean suits and other articles for all white patrons.

Mr. J. M. Mock, of Electra, and Mr. Elbert Mills, of Standard, were pleasant callers at our office Tuesday. The Banner will visit the home of each during the coming year.
