Mr. Lewis in Ward Lines.

Mr. John T. Lewis, in his efforts to reach Ocala Saturday to attend the meeting of the county democratic executive committee, experienced a combination of vicissitudes. He had to leave his home in a shower and when he reached Sharpe's Ferry the river was so banked with hyacinths that it was impossible for the barge to move a particle, so he was compelled to go back and cross the river at Grahamville, and there he found the water so high over the bridge that he thought at one time he would be drowned, and the only way he saved himself was to jump out of his buggy into water over waist deep, and finally succeeded in leading his horse over the causeway, a distance of a hundred yards or more.

It is here necessary to state that Mr. Lewis was a very prominent candidate for the office of judge of the county court, and when he reached Ocala learned that the committee had adjourned without making an endorsement, and later on in the afternoon he received the intelligence that Mr. Joseph H. Bell had received the appointment of the governor regardless of the endorsement of the committee.

Mr. Lewis was one of Mr. Broward's and Mr. Stockton's strongest supporters in this county, and was told that the governor was quite anxious to appoint him to the office if he received the endorsement, and Mr. Lewis and his friends and the friends of Governor Broward are quite astounded at his action.

Thompson—Hale.

Mr. J. C. Thompson, editor of the Dunnello Advocate, was married Tuesday morning August the first at eleven o'clock to Miss Ruth Hale, of the Williston Advocate. The marriage took place at the Baptist church and the ceremony was performed by Rev. B. R. Bridges. The wedding was a very pretty one and was largely attended.

On the evening before the wedding the happy young couple were given a dinner party by Mrs. J. Q. Peacock which was very elaborate. Among those who attended this affair were Joe Burke and Miss Lillian Burke, formerly of Ocala.

The newspaper fraternity throughout the state offers congratulations and best wishes to Mr. and Mrs. Thompson.

Edwards Brothers Sell out to W. P. Edwards.

It will be a matter of regret to our readers to learn that the Edwards Brothers have gone out of the market business. They have been fixtures here so long that they are like pioneers, but it will be a pleasure to know that they have been succeeded by their cousin, Mr. W. P. Edwards, who was trained in the business by the Edwards Brothers and is in every way worthy to be their successor.

The Edwards Brothers will devote their entire time and attention to their cattle ranches and their wholesale beef business.

Mr. Ball Injured.

Several days ago, while at Crystal River, Mr. Charles Ball, of this city, was quite badly hurt. He was on a boat putting up signs when he lost his footing and fell to the bottom of the boat. Two of his ribs were broken by the fall and he was otherwise bruised and hurt. He was brought home and is now confined to his room. His friends trust he will soon be out again.

Nothing on the Market Equal to Chamberlain's Colic, Cholera and Diarrhoea Remedy.

This fact is well known to druggists everywhere and nine out of ten will give their customers this preparation when the best is asked for. Mr. Obe Witmer, a prominent druggist of Joplin, Mo., in a circular says: "There is nothing in the market in the way of patent medicine which equals Chamberlain's Colic, Cholera and Diarrhoea Remedy for bowel complaints. We sell and recommend this preparation." For sale by all druggists.

EXECUTIVE COMMITTEE

Quorum Not Present and Meeting Adjourned Until Thursday, August 10.

Owing to the tremendous and continued downpour of rain less than a quorum of the democratic executive committee met Saturday morning, pursuant to the call of the chairman.

Promptly at 11 o'clock the meeting was called to order, and in the absence of Chairman Baskin, Mr. E. W. Davis, of Ocala, was made chairman pro tem.

After stating the object of the call, the roll was called and only eleven of the precincts out of thirty-one responded.

The following were the precincts represented:

Ocala, E. W. Davis.
Reddick, L. S. Light.
Romeo, C. R. Dean.
Lake Weir, J. L. Grantham.
Linadale, C. A. McCranie.
Stanton, J. F. Simpson (proxy).
Dunnellon, H. G. Kean (proxy).
McIntosh, D. H. Irvine.
Fairfield, W. A. Yongue.
Candler, T. E. Pritchett.
Sparr, J. W. Colbert (proxy).
Martel, D. A. Clark.

As there was not a quorum present a motion was made to adjourn the meeting until Thursday, August 10, and after considerable discussion the motion was finally adopted.

After the adjournment the following committeemen arrived in the city:

Moss Bluff, John T. Lewis.
Fort McCoy, J. W. Stevens.
Kendrick, W. E. Nix.

There was considerable interest manifested and a number of candidates for the office of judge of the county court were present, and the standing of the committeemen was pretty generally divided.

A Worm Killer.

J. A. J. Montgomery, Puxico, Wayne Co., Mo., writes: "I have little twins girls, who have been bothered with worms all their lives. I tried everything to relieve them which failed until I used White's Cream Vermifuge; the first two doses brought four worms from one of them, the next two doses, twelve, one of them measuring twelve inches; the other child was only relieved of four worms. It is a most excellent medicine."

White's Cream Vermifuge is good for children.

It not only destroys worms, it helps the child to perfect growth, wards off sickness. Sold by all druggists.

We hope our readers will not fail to read the very attractive advertisements of the Boston and Variety stores. These two firms are making very heroic efforts to give their customers splendid bargains during the summer season and have everything in stock advertised and sell at the prices named. Read over their attractive list of prices.

We call especial attention to the notice of the city board of health which is printed elsewhere in our columns. Mr. J. Rheinauer is at the head of this department and is determined that the health ordinance shall be strictly enforced, so go to work and put your premises in apple pie order and avoid trouble and expense, and help keep our city in a healthful condition.

Mr. S. W. Rhodes, of Waycross, is in Ocala to relieve Mr. W. D. Graham, route agent for the Southern Express company during this gentleman's vacation to the mountains of North Carolina. Mr. Graham will be absent for a month or six weeks.

Mr. B. A. Bryant, of the Richmond Paper Company, was a caller at this office Saturday. Mr. W. L. Goodwyn, who has been representing this company in Florida has been very ill with typhoid fever for several months.

Mrs. P. B. Dukes, and Mrs. Chas. T. Strickland and baby girl after spending a couple of weeks with relatives in Ocala, left Saturday for their home at Waycross, Ga.

The committee will thank the members of the band to prepare essays on "Kindness," and kindred subjects, as was done last year with so much success, and to send them in to the secretary not later than September 15. Three prizes will be given and three "honorable mentions" will be competed for.

In October the Band of Mercy proposes to have a show of pets, for which a committee on arrangements will be formed later on.

On behalf of our committee.

MRS. C. L. BITTINGER, Pres.
MISS E. TATHAM, Sec'y.

The Way to Heaven.

Gov. Hogg of Texas, says: "Don't be personal in your religion. All churches do good; all churches are highways to heaven. There are dozens of railroad routes to New York (excuse me, 'roots.') They are all needed to accommodate the travel, and no one makes a serious mistake by using any one of them. It is the same way with religion. We couldn't all get to heaven over the same highway. Therefore, do not call each other fools because you have chosen to travel to the same place by different paths."

Two men were disputing over their respective churches, one a Presbyterian the other a Methodist. Finally one called on a neighbor who was passing by and asked his opinion as to which was the only church in which to be saved. "Well," said he, "my son, I have been haunting wheat to mill nigh on to forty years. Now there are two roads that lead from our place to the mill—one's the valley roads t'other takes us over the hill. An' never yet, my friend, has the miller asked which road I took, but he always asks: 'Is your wheat good.'" —Peoples Review.

Fleishish Suffering

is often caused by sores, ulcers and cancers, that eat away your skin. Wm. Bedell, of Flat Rock, Mich., says: "I have used Bucklen's Arnica Salve, for Ulcers, Sores and Cancers. It is the best healing dressing I ever found." Soothes and heals cuts, burns and scalds. 25c at Tydings & Co. guaranteed.

Mrs. Woodrow Entertained a House-Party of Girls.

"Blair Villa," the summer home of Mr. and Mrs. David S. Woodrow at Woodmar on the shores of beautiful Lake Weir, was the scene of the greatest merriment and fun from Thursday until Friday afternoon when Mrs. Woodrow had as her guests over night Misses Hattie Dye, Esther Weathers, Meta Jewett, Louella Gary, Eloyse Izlar, Emily Ford, Sara and Violet Harris.

As soon as they arrived at the lake the young ladies were given a launch ride and later enjoyed a delightful swim. The evening was a very delightful one and an early morning fishing trip, a dip in the lake and another boat ride made the hours until train time pass all too rapidly and this jolly crowd of girls all declared they had never had a better time in their lives.

The bilious and dyspeptic are constant sufferers and appeal to our sympathies. There is not one of them, however, who may not be brought back to help and happiness by the use of Chamberlain's Stomach and Liver Tablets. These tablets invigorate the stomach and liver and strengthen the digestion. They also regulate the bowels. For Sale by all druggists.
