### PIANO RECITAL

Miss Gamsby's Pupils Give Their Annual Recital in the Ocala House Parlors

An annual event of great interest, and especially in musical circles, is the concert given by Miss Kate Gamsby's music class. This annual recital was given in the parlors of the Ocala House Wednesday night. The parlors were filled with the parents and friends of the young pianists, and the clever playing of these young people was a source of great pride to everyone. Miss Gamsby is a very fine musician, and as a teacher has very marked ability, and some of Ocala's finest musicians owe their success in a large measure to her instruction.

The following was the program rendered by Miss Gamsby's pupils:

Duet, "Light of Heart"—Sidney Harold and Miss Gamsby.  
(a) "The Sweet Violet," (b) "In the Fields"—Elizabeth Davis.  
"The Chase"—Gladys Drake.  
"A Corner in Elizabeth's Garden." Song of the Moonflower—Mabel Moffert.

Song of the Daffodil—Roxie Todd.  
Song of the Jasmine—Gladys Drake.  
Song of the Night Blooming Cereus—Alice Sexton.

"Millwheel"—Merle Biggs.  
"Lily of the Valley"—Ruth Nelson.  
Duet, "Under the Mistletoe"—Martha Miller and Miss Gamsby.

(a) "Aven," (b) "Intermezzo"—Annie Laurie Perry.  
"Deuxieme Valse"—Theo. Wallis.  
"Spinning Song"—Edna Nelson.

"Im Fruhling"—Helen Brown.  
"Valse Brillante"—Ethel Crosby.  
"Pres de Berceau"—Hope Robinson.

"Air de Ballet"—Nellie Gottlieb.  
Second Hungarian Rhapsody (Cadenza by Franz Bendel)—Mary Burford.

"Witches' Dance"—Minnie Stovall.  
Impromptu in A-flat—Ethel Haycraft.

"Hungarian Fantasy"—Mary Gates.  
All of the performers did exceedingly well and they were loudly applauded and showered with congratulations by their friends.

After the program was over the pleasing duty of delivering the medals fell to Judge W. S. Bullock, who did it in his usual happy and felicitous manner. He complimented the teacher and each member of the classes, and was sorry that all could not have a medal.

In the senior class Miss Mary Burford won the gold medal, having made 236 marks out of a possible 240. In this class Miss Ethel Haycraft, with 234 marks, and Ethel Crosby with 233 marks, received honorable mention.

In the junior class Miss Theo. Wallis and Miss Alice Sexton tied for the first place, each having gotten 230 marks, and they were both presented with a pretty silver medal.

Miss Martha Miller, with 227 marks, and Miss Gladys Drake with 221 marks, received honorable mention.

The Last Meeting of the Young Ladies' Card Club

The farewell meeting of the Young Ladies' Card Club was held Wednesday afternoon, Miss Margaret Taylor being the hostess. These card club meetings are among the most delightful events in the history of social affairs in Ocala during the winter and spring months, and it is a matter of great regret that the time for the last meeting has arrived. The games of cards are thoroughly enjoyable, the members are thoroughly congenial and in all respects the card club meetings are always looked forward to with a great deal of pleasure.

The players at Miss Taylor's Wednesday included Misses Margaret and Mamie Taylor, Sara and Louise Harris, Annie Davis, Valeta Potter, Meta Jewett, Ethel Robinson, Miriam Paetour, Margaret Ezleton, Sarah McCree, Minnie and Louise Gamsby, Mrs. W. V. Newson, Mrs. J. B. Hiers, Mrs. E. B. Duncan, Mrs. M. J. Roess, Mrs. W. H. Powers, Mrs. Sanford Jewett, Mrs. W. T. Gary, Mrs. Arthur Hardaker, Mrs. E. T. Helvenston and Mrs. B. W. Mims.

The heavy rain early in the afternoon made the weather delightfully cool and the games were exceedingly pleasant. Afterwards very delicious peach cream and cake were served.

Mrs. Roess won a beautiful landscape picture for having won the greatest number of points, and for the highest score in games Mrs. Hardaker was given two exquisite handkerchiefs.

Mr. G. B. Tankersley represented the thrifty city of Coleman in Ocala Wednesday.

Nash, Martin, Matthews, Gates, Martinot and Taylor, with cornet accompaniment by Mr. Albert Gerig.

A Veritable Phoenix

Mr. B. H. Seymour, who has had the misfortune to see several of his sawmill burn before his eyes and was powerless to stop the progress of the flames, has phoenix like, rebuilt the same and re-established himself, and his mill is once more in operation. In addition thereto he has established a lumber yard in the northern section of the city and is prepared to furnish on short notice lumber of any description and in any quantity to the local trade. If you are in need of lumber, don't forget to phone Mr. Seymour.

Mr. John W. Pearson has placed on our table a stalk of alfalfa, a crop which is very popular in the West. This stalk shows great vigor and succulence, and if it can be grown here will add very greatly to the prosperity of this state. Under the improved method of inoculating soils it would seem possible to grow the alfalfa in Florida, and we hope that our scientific agriculturalists will continue their experiments with it until they make a success of growing this plant.

We notice that several of our state exchanges are noting the fact that the Ocala people are feasting on roasting ears and are envious of our good luck. That was some days ago. We are still feasting on this delightful vegetable and one of our valued subscribers, Mr. B. D. Cappleman, who does not believe that there can be too much of a good thing, placed us under obligations Tuesday for a dozen ears of luscious corn, for which we return our most grateful thanks. We like all varieties of vegetables but our greatest weakness is for corn.

Mr. Chas. Peysor called us to the back of his establishment yesterday, and we were surprised to learn that he is giving employment to fourteen cigar makers. He uses none but the best imported Cuban and Sumatra tobacco and his cigars have an established reputation. If the people of Ocala were to buy exclusively of the cigars manufactured by Mr. Peysor and other Ocala manufacturers it would be easy to build up a cigar industry in this city. Let's do it.

The Famous Sunbonnet Pictures

This series of color pictures for passe-partout will be given free with the New York Sunday World. Everyone who sees these pictures wants them. The World gave them to its city readers two months ago, and they made such a hit it has been decided to extend the pictures to out of town readers. The first picture next Sunday start in with No. 1 and get the set.

Ocala and the Fourth

May 28, 1907.

To the Editor Ocala Banner: Only five weeks and two days till the glorious Fourth. Can it be that we are going to let it go by without offering some attraction to induce our friends from out of town to come to Ocala on that day? Let's be doing something.

Mr. and Mrs. Herman Sturgis, who were married at Augusta, Ga., on Sunday, reached Ocala Tuesday afternoon and will make this city their home. Mr. Sturgis has been here for several months and is connected with the Ocala Iron Works.

Mr. W. H. Webb, proprietor of the Standard Lime Works at Kendrick, was transacting business in Ocala Wednesday, as was also Mr. Frank M. Long, one of the best known and most prominent citizens of Holder.

### MAN-A-LIN Is An Excellent Remedy for Constipation.

There are many ailments directly dependent upon constipation, such as biliousness, discolored and pimpled skin, inactive liver, dyspepsia, over-worked kidneys and headache.

Remove constipation and all of these ailments disappear.

MAN-A-LIN can be relied upon to produce a gentle action of the bowels, making pills and drastic cathartics entirely unnecessary.

A dose or two of Man-a-lin is advisable in slight febrile attacks, la grippe, colds and influenza.

Evangelist for Christian Church

Rev. Samuel J. White, state evangelist for the Church of Christ in Florida, arrived in this city this morning from McIntosh, Fla., where he has been residing while doing evangelistic work throughout the state. A large tent is being erected in East Jacksonville on the corner of Duval and VanBuren streets and protracted evangelistic services will commence there in a day or two under the auspices of the First Christian church of this city. Rev. White is a speaker of ability and power and a good teacher of Christian doctrine. The singing will be under the direction of Mr. John Nissen Lamb and his chorus will assist.—Jacksonville Metropolis.

Capt. John L. Inglis was in Ocala Wednesday, and will leave today for a visit to New York, but will be in Richmond on June 3rd to witness the unveiling of the Jefferson Davis monument and to take part in the memorial exercises. It will be remembered that an old soldier signing himself "Old Vet," suggested Captain Inglis as fine timber for the making of a gubernatorial candidate, and since that time the captain has been freighted with letters from different parts of the state begging him to enter the race. An enthusiastic comrade, writing to us on the subject of Captain Inglis' candidacy says that it would certainly settle the governorship question. That he would carry Middle Florida with a whoop and his nomination would be assured.

Capt. W. J. Hillman of Live Oak has just sold a tract of phosphate land in Polk county for the handsome sum of \$600,000. And still there are some people who doubt there are great riches in Florida soil. We for one would like to be Captain Hillman right about now.—Live Oak Democrat.

It is reported that Captain Hillman only gave \$35 for the original purchase of this land. Six hundred thousand dollars on a thirty-five dollar investment is not bad. We would like for Captain Hillman to give us the use of his "rabbit-foot" for about ten days.

Organ Recital

The Methodists will give an organ recital Friday, June 7. The admission is fixed at the low price of 25 cents. Other notices of this recital will appear later.
