A HEALTHY FAMILY

Kept the Children Well.

Mrs. K. Kane, 196 Sebor St., Flat 1, Chicago, Ill., writes: "Peruna has been used so long in our family that I do not know how I could get along without it.

"I have given it to all of my five children at different times when they suffered with croup, colds and the many ailments that children are subject to, and am pleased to say that it has kept them in splendid health.

"I have also used it for a catarrhal difficulty of long standing, and it cured me in a short time, so I have every reason to praise Peruna."

It is impossible to estimate how many homes have been protected against croup by the proper use of Peruna.

Household Remedies.

There is no remedy in the world which has proven so popular for catarrh as Peruna. It has been used for more than thirty years and cured thousands of cases, as proven by our testimonials.

In the early history of this country every family had its home-made medicines. Herbs, tinctures, laxatives and tonics were to be found in almost every house, compounded by the housewife,

sometimes assisted by the apothecary or the family doctor.

Furnishing medical compounds direct to the people, through the druggists, is simply the extension of the practice begun by the people themselves.

Nervous System a Wreck.

John G. Hirdler, Garfield, Kas., writes: "On December 2, 1899, I was injured by a fall on the Santa Fe R. R., and my entire nervous system was impaired by the same. The help of a physician was useless. I believe I tried every one in the vicinity, but all were alike and I

Catarrh of Stomach.

Mr. John M. Stansberry, Amarillo, Tex., writes: "For several years I had catarrh of the stomach. I was hardly able to do anything, and could not eat with any satisfaction. "When I commenced using Peruna, I weighed only 110 pounds. I took six bottles, commencing in the spring, and by the following winter I had gained 63 pounds. "I owe it all to Peruna. It cannot be praised too highly. "I am forty-five years old, and my occupation is that of architect and builder."

remained without strength. "I then tried Peruna, and after using it for three months was totally well. I am seventy-one years old, and my work on the railroad is hard and tedious, but I can work like a young man in all kinds of weather, heat, cold, rain, snow or storm alike.

"Peruna is the purest and best medicine, and if used according to directions, it will help any person and cure any disease for which it is recommended. I recommend this medicine by my own experience to any one suffering from an ailment on the order of mine."

For Himself and Children.

Mrs. Aline DePasse, 776 E. 165th St., New York, N. Y., writes: "It gives me pleasure to testify to the curative qualities of Peruna and Manalin.

"I was afflicted for over seven years with catarrh of the head, throat and digestive organs. I consulted many physicians, but they did me no good.

"One day I happened to read some testimonials in your Peruna almanac. I decided to try Peruna and Manalin. I bought a bottle of each and after taking them for a week, I noticed a change for the better. So I kept it up and after using twelve bottles I was perfectly cured.

"I also gave the medicine to my children and they had the same beneficial result. I would never be without these remedies in the house.

"I highly recommend Peruna and Manalin to all my friends, and, in fact, to everybody."

Thousands of families have learned to trust and believe in Dr. Hartman's judgment, and to rely on his remedy, Peruna.

Why is it that we find buyers for our goods many miles away from town? We answer for you when we say that it is because the Globe quotes prices in their "Money Panic Sale" that cannot be met by competitors. x

The firm will be known as the Ocala Iron and Metal Company, and they will occupy the building formerly occupied by the White Star steam laundry.

Mr. M. L. Payne of Fairfield was here Saturday and heard all the speaking. He said that his precinct was going dry, and it looked to him like that would be the verdict recorded all over the county Tuesday.

Mr. and Mrs. J. D. Thagard of Alaska are guests of the former's brother, Mr. E. P. Thagard, and family, for a short visit. Mr. Thagard is a well-to-do gold miner of Alaska and he and Mrs. Thagard will spend some time in the sunny south before returning to their home in the northwest.

It Does the Business

Mr. E. E. Chamberlain of Clinton, Maine, says of Bucklen's Arnica Salve: "It does the business; I have used it for piles, and it cured them. Applied it to an old sore and it healed it without leaving a scar behind." 25c. at Tydings & Co's. drugstore. m

THE LEAP YEAR DANCE

A delightful affair of Friday night was the leap year dance at Yonge's Hall, which was attended by a crowd of jolly, merry-hearted young people.

The music was lively and attractive selections were made by the orchestra, and programs were used for the dances.

It was a leap year affair in every sense, the ladies playing the gallant at all times during the evening and were apparently delighted at their novel role, and the evening was in every way a very happy one.

The orchestra was composed of Prof. Pike, Mr. Frank Mathews and Mr. Yent, and those dancing were the following: Misses Annie Atkinson, Madge Simms, Pauline Sullivan, Edna Dozier, Anne Mixson, Lillian Thagard, Sally Camp, Margaret Anderson, Minnie Hendon, Josephine Bullock, Florrie Condon, Shelly and Pansy Souter, Ethel and Hope Robinson, Helen Brown, Etta Hood, Adele Bittinger, Miss Sallie Belle Rice of Macon, Miss Sybil Edgar of Bellevue, Mrs. Ridley and Miss Shepard of Leesburg, Miss Buck of New York, Mr. and Mrs. John Taylor, Mr. and Mrs. Arthur Clark, Mr. and Mrs. Bernard Seligman and Messrs. CARD CLUB'S WEEKLY MEETING

One of the loveliest meetings that the Young Ladies' Card Club has ever enjoyed was that with Miss Hattie Dye Saturday afternoon. Always charming, she is never more so than

when doing something for the pleasure of her friends.

Those who were playing with the club members Saturday were Mrs. B. A. Weathers, Mrs. F. T. Schreiber, Mrs. W. T. Gary, Mrs. F. K. Dyar and Miss Annie Atkinson, and the games in the pretty living room were very enjoyable. A big fire was kept going and the lights shaded in red made the room exceedingly comfortable and attractive.

Red mints were on the tables during the games, and later salad, in polonetti ramekins, olives, hot biscuit and coffee were served.

Miss McCreery and Miss Potter won the prizes, and each was given a box of very dainty linen handkerchiefs.

IT DOES NOT LOOK LIKE A MONEY STRINGENCY IN OCALA

At the annual meeting of the Marion Hardware Company, which was held Friday at the office of the president, Mr. R. S. Hall, a most satisfactory statement of the year's business was submitted. Indeed, the business was of such a satisfactory character that the directors felt justified in declaring a 20 per cent. dividend, 10 per cent. of which was paid in cash and 10 per cent. was added to the surplus fund to provide against possible money stringency in the future.

The Marion Hardware Company, under the efficient management of Mr. H. B. Clarkson, has done a splendid business, and is justly popular.

We are certainly gratified at the splendid showing this firm has made.
