## MRS. DELL'S LOVELY AFTER-NOON PARTY

From Friday's Daily:

The first large party since the Lenten season began was that given yesterday afternoon by Mrs. James M. Dell of Gainesville at the home of her mother, Mrs. C. A. Liddon, on Ocala-Whaha avenue.

## THE MOST COMMON CAUSE OF SUFFERING

Rheumatism causes more pain and suffering than any other disease, for the reason that it is the most common of all ills, and it is certainly gratifying to sufferers to know that Chamberlain's Pain Balm will afford relief, and make rest and sleep possible. In many cases the relief from pain, which is at first temporary, has become permanent, while in old people subject to chronic rheumatism, often brought on by dampness or change in the weather, a permanent cure cannot be expected, the relief from pain which this liniment affords is alone worth many times its cost. 25 and 50 cent sizes for sale by all druggists.

Rev. C. C. Carroll, the eloquent pastor of the Baptist church in this city, has just received a call to the Baptist church of Jackson, Tenn. Mr. Carroll has also recently received calls to several other prominent Baptist churches. Not only his own congregation, in Ocala but our citizens generally unite in the hope that Mr. Carroll will decide to continue his residence here.

Phillips can't speak much, but he is a bookkeeper from your heart.

## WOMEN WHO BELIEVE IN PERUNA

Honest Women Who Are Not Afraid to Tell the Truth About Pe-ru-na.

Since I have used Peruna I have a splendid appetite, enjoy life and perfect health.

MRS. F. E. HENDERSON

## Caught Cold Easily.

Mrs. F. E. Henderson, 221 Ninth St., Milwaukee, Wis., writes: "I never had any faith in patent medicines until I tried Peruna, but my experience with this reliable medicine has taught me that there is one which can be trusted, and which will not fail in time of need. "For the past few years I have found that I caught cold easily, which would settle in a most unpleasant catarrh of the head. I had to be especially careful about being out of evenings, and not to get chilled when dressed thin for parties, but since I have used Peruna my general health is improved, and my system is in such good condition that even though I am exposed to inclement weather it no longer affects me. "I have a splendid appetite and enjoy life, being in perfect health."

## Per-una Tablets.

For two years Dr. Hartman and his assistants have labored incessantly to create Peruna in tablet form, and their strenuous efforts have just been crowned with success. People who object to liquid medicines can now secure Peruna tablets. These tablets represent the medicinal ingredients of Peruna, and each tablet is equivalent to one average dose.

Mrs. Josephine Holst, 162 E. First St., Portland, Ore., writes that she was troubled seriously with catarrh of the throat, that she used Peruna and was wonderfully helped in two weeks, and in a little over two months her system was rid of all traces of catarrh.

## MR. AND MRS. STEVENS CELEBRATE THEIR FIFTIETH WEDDING ANNIVERSARY

Mr. and Mrs. Isaac Stevens entertained Monday afternoon in celebration of their fiftieth wedding anniversary. They had as their guests quite a large number of their friends and neighbors, and the occasion was a very happy and unusual one, as it does not fall to the lot of many couples to live so happily together for so many years.

Mrs. J. J. Gerig received at the front door and Miss Nellie Stevens, the only daughter of Mr. and Mrs. Stevens, asked them into the parlor, where her mother and father and Mrs. Stevens' sister, Mrs. Edwards, of Erie, Pa., received. Mrs. Stevens looked very sweet and charming in a black silk gown with a white lace yoke. Mr. Stevens wore a handsome black suit and Mrs. Edwards was in brown silk.

The Stevens home was very prettily decorated throughout with white oleanders and honeysuckle, and was very tasteful in every arrangement.

The bride and groom of fifty years were the recipients of quite a number of very handsome presents of gold, and also some in silver and china. Two bags filled with gold coins were a gift from the Baptist church, of which denomination both Mr. and Mrs. Stevens have been very devoted and consecrated members since early youth. This gift was very greatly appreciated by Mr. and Mrs. Stevens, and was a very happy surprise to them.

In the living room Mr. and Mrs. Henry Stevens of Lakeland, Mr. Vernie Stevens of Shawnee, Oklahoma, and Mrs. A. L. Izlar were receiving, and asking the guests into the dining room were Mrs. C. J. Phillips and Mrs. E. Van Hood.

The daintiest refreshments possible were served, the gold color note predominating. The ice cream was orange and gold, and fruit cake was served, also yellow and white mints, nuts, etc.

## NO PICNIC AT STOKES' FERRY

Gaiter, Fla., April 28, 1908.

Have you seen James P. Phillips on the fence lately? He votes.

## The Value of Health.

Who can set a money value on health? It is absolutely priceless. No one in good health can fully appreciate what it means to have poor health. The days are long and tedious. The nights horrible and painful. Nothing goes right. Even the mind becomes deranged and injured by continued poor health.

Once liberated from the thralldom of sickness words fail to express the joy and relief.

Peruna has been the means of relieving more women from ill health in the United States than, perhaps, any other medicine.

A multitude of women stand ready to give testimony in favor of Peruna whenever occasion offers.

## Dyspepsia Entirely Relieved.

Miss Lillie C. Martin, Shelbyville, Tenn., writes: "Everybody says I look better than I have for two or three years, and I sincerely thank you for your kind advice."

"I believe your treatment has entirely cured me. I can eat anything I want. I believe your remedies will cure any case of indigestion or dyspepsia."

MISS HELEN SAUERBIER

## Head and Throat.

Miss Helen Sauerbier, 815 Main St., St. Joseph, Mich., writes:

"Last winter I caught a sudden cold which developed into an unpleasant catarrh of the head and throat, depriving me of my appetite and usual good spirits. "A friend who had been cured by Peruna advised me to try it and I sent for a bottle at once, and I am glad to say that in three days the phlegm had loosened, and I felt better, my appetite returned and within nine days I was in my usual good health."

## BELLEVIEW IN OCALA

Mr. C. A. Tremere, the popular merchant and postmaster at Belleview, Rev. W. L. Barrs, Mr. John T. Haynes, Miss Lorena Freeman, Mrs. Mary J. McFall and Mrs. Mary E. Fogg, all of Belleview, formed a pleasant party Tuesday spending the day in Ocala. Mrs. Fogg took this opportunity of visiting the Ocala Banner and renewing her subscription to this paper. We learned from the party that Mrs. Ellen F. Bush of Quincy, Mass., and Mrs. L. R. Halstead of Roxbury, Mass., who spend their winters at Belleview, will come up to Ocala today and will be met here by Mr. and Mrs. Bradford Webb of Kendrick, and will go out to their home for several days.

These ladies, who have spent several winters at Belleview, expect to spend next winter in California. They leave for Massachusetts on May 15, as will also Colonel Doolittle and Mrs. Dana. This party reported that Judge Hopkins, Belleview's mayor, is suffering quite severely with rheumatism. Messrs. Barrs and Gross, who have been hitherto only spending their winters at Belleview, will now spend their summers there, and will become permanent residents of the "City of Oaks."

## IT REACHED THE SPOT

Mr. E. Humphrey, who owns a large general store at Omega, O., and is the president of the Adams County Telephone Co., as well as of the Home Telephone Co. of Pike county, O., says of Dr. King's New Discovery: "It saved my life once. At least I think it did. It seemed to reach the spot—the very seat of my cough—when everything else failed." Dr. King's New Discovery not only reaches the cough spot; it heals the sore spots and the weak spots in throat, lungs and chest. Sold under guarantee at Tydings & Co's. drug store. 50c. and \$1. Trial bottle free.

James P. Phillips doesn't straddle the fence on any question.

Mr. C. E. Herrick, a distinguished citizen of Crystal River, was a visitor to the city Wednesday.

## Local and Personal

Mrs. Will Carlton continues quite ill at the Carlton House in this city.

Dr. Griffith was in Ocala last night and will go from here to Fairfield today.

Use Plank's Chill Tonic, 25c. per bottle; guaranteed. Sold by all druggists.

Dr. C. W. Lindner of Anthony and Mr. D. A. Clark of Martel were visitors in Ocala yesterday.

Mr. and Mrs. A. J. Brigrance have returned to Ocala from Kentucky, and will again make this city their home.

Quite a number of Ocala people are going up to Fairfield today. At least twenty are booked for the trip.

Mrs. Mabel Sanders Austin of Jeffersonville, Ga., is visiting Ocala and is a guest of her aunt, Mrs. George W. Martin.

Fairfield is making big preparations for her candidates' picnic on Friday. It is expected that a large crowd will be on hand.

Mr. C. H. Mathis is in the city from Blackville, S. C., for a few days. Mr. Mathis is the well known cantaloupe and watermelon grower in this section.

Dr. James McIntosh of Newberry, S. C., father of the late Edward L. McIntosh of this city, is here for a short visit. Dr. McIntosh owns valuable property near this city.

Rev. Mr. Mullins of St. Petersburg arrived in Ocala yesterday and has joined his wife at the home of his daughter, Mrs. C. E. Culbreath.

Mr. and Mrs. William E. Sinclair and little girl, former well known Ocala residents, but now of Mobile, Ala., are here on a visit to Mr. Sinclair's mother, Mrs. William Sinclair, having arrived yesterday.

Mr. O. M. Gale of Belleview, accompanied by a gentleman friend and his little girl, spent Wednesday in Ocala. Mr. Gale now has an excellent position with the Belleview Trading Company.

Mr. George G. Mathews, editor of the Polk County Record, was in Ocala Monday for the purpose of making arrangements to move his family to Bartow, where he will in future make his home. Mr. Mathews is making a distinct success of his paper and is delighted with the work. He is an enthusiast which always brings its reward. Mr. Mathews says that Mr. Lamar will poll a heavy vote in South Florida for the reason he says that his record is good and his experience in public life puts him far above his rivals.

Hold your ear close to the ground and listen to Phillips run for assessor.

Wednesday morning Sergeants Charles Leitner and Fred Welhe, Corporal Frank Booher and Privates Leitner, Schenck, Smoak, Duffy, Douglas and Bock of the Ocala Rifles arrived home. This squad was left in Pensacola when the remainder of the Rifles returned home last week to assist in quelling the street strike in that city.

Mr. Frank Dupies, one of the best known men in the county, was in town Tuesday. He was here in company with his friends, Judge Smith and Mr. W. A. Younge. He says Fairfield is making big preparations and arrangements for the big speaking which comes off there on Friday, May 1. Duncan U. Fletcher and other of the state candidates, and all the county candidates are expected to be there and fire off their pyrotechnic oratory. The good housewives are preparing a big dinner and are determined to keep up the reputation of Fairfield along this popular line.

Mr. William A. Younge of Fairfield was a pleasant visitor at this office Tuesday and inspected our linotype machine which he thought (and it is) a most marvelous invention. Mr. Younge is a candidate for county commissioner for the fifth district. He has been urged to make the race by an almost unanimous sentiment among the people of his section and the argument they use is that that section of the district has always or very nearly always been without representation on the board and they say it is time to re-establish the doctrine somewhat prevalent in 1776, "no taxation without representation." Mr. Younge is a most pleasant and affable young gentleman and has a host of friends.

We enjoyed a very pleasant visit Tuesday from Mr. E. S. Smith, of Fairfield. It has been a long time since Mr. Smith had visited Ocala before and he was delighted with the progress and improvement Ocala has made since his last visit. The court house has been completed and the grounds laid off and beautified. He says that certainly every patriotic son of Marion county ought to feel proud of this building and plot of ground. It sets a pace which he and all good citizens hope will not be lost on our people generally and seeing what can be done along this line he hopes that there will be many imitators. Mr. Smith, living in the interior, was tendered a fish dinner at Keating's cafe which he especially enjoyed. Mr. Smith has been serving in the capacity of justice of the peace for his district for a number of years and is not only popular in his own community but throughout the county.
