MARRIAGE OF MR. MATHIS AND MISS WALKER

Another pretty marriage of Wednesday was that of Miss Bessie Louise Walker and Mr. C. H. Mathis of Blackville, S. C., which took place at three o'clock at the home of Mr. and Mrs. Allan Boatwright in North Augusta, aunt and uncle of the bride. Rev. Mr. Pitts of Blackville officiated. The bride was attended by her sister, Mrs. Etta Walker, and her cousin, Miss Ada Goodrich. The bride wore a smart and elegant tailor suit of blue cloth, elaborately embroidered. Her hat was a picture one of black velvet and jet, and her flowers were handsome white roses. She entered with the groom and was preceded by her two attendants, Miss Goodrich wearing an all white gown and Miss Walker's being of blue tulle and white. The Boatwright home was exquisitely decorated in flowers of various kinds and hues. The front drawing room, where the ceremony was performed, was adorned with Easter lilies, bride's roses and white cosmos. In the dining room, where a delightful luncheon was served, the flowers were Paul Neron roses and pink antigon with asparagus ferns. In the hall goldenrod and crimson geraniums were used most effectively. Mr. and Mrs. Mathis left during the afternoon for a bridal trip to Florida before returning to their future home in Blackville.—Augusta Cor. in Atlanta Journal.

Mr. and Mrs. Eugene Mackenzie have issued invitations to the marriage of their daughter, Helen, and Mr. Rella Bessie Holland on the morning of Tuesday, October the twentieth, at eleven o'clock, at their home, No. 834 Market Street, West, Lima, Ohio.

Mr. and Mrs. Holland will be at home after the first of December at Portland, Oregon.

Miss Mackenzie is a niece of Mrs. O. C. Finch, formerly of this city, and some years ago spent the winter in this city as her guest. She will be pleasantly remembered by the young people here, with whom she was very popular.

COL. SHIPMAN TO MANAGE JACKSONVILLE HOTEL

E. V. Dunn, who for years was owner and manager of popular theaters in Philadelphia, Boston and New York City, has moved to Jacksonville and will make this city his home, having leased the Acme hotel, corner of Bay and Julia streets.

Mr. Dunn has engaged the services of Col. V. J. Shipman, who at one time was a candidate for governor of the state of Florida, as manager. The house has been thoroughly renovated and the new owner intends to run a strictly up-to-date European hotel.—Times-Union.

Colonel Shipman conducted the Montezuma Hotel in this city for several years.

TRIP TO CONNOR

Mrs. P. V. Leavengood, Mrs. James Bingham of Jacksonville, Mr. Harry Leavengood and Mr. Ward Leavengood of Ohio formed a congenial party who enjoyed a trip on the Oklawaha river Friday. They went on the naphtha launch "Swan," which is owned by Mr. Harry Leavengood. They visited Connor and other points on this weird river and the trip was in every respect a most delightful one. Nothing is more delightful than a visit to Silver Springs and the Oklawaha river, and visitors there are always enchanted with the trip.

Edward Badger Moyers is the name of the little stranger that arrived a week ago at the home of his parents, Mr. and Mrs. Godfrey Moyers, at Lakeland. The little fellow is a grandson of Mrs. Edward Badger of this city, and the family are very happy over his arrival. He has been named for his distinguished grandfather, and if he lives up to his name he will become one of Florida's leading sons. Friends extend congratulations.

Col. J. H. Livingston is having some extensive additions and improvements made on his home in the second ward. Among other things he is having a very broad veranda built nearly around the house, and when the improvements are all completed his home will be very much more comfortable in the interior and handsome on the exterior.

MRS. LANCASTER ENTERTAINS THE DAUGHTERS

Friday was the regular day for the monthly meeting of the Daughters of the Confederacy, and Mrs. Joseph T. Lancaster entertained them in a most delightful manner. Mrs. Gary presided and while there was only routine business transacted the meeting was a very pleasant one.

The appointing of delegates to the general convention in Atlanta was discussed, this chapter having the privilege of appointing two delegates, but as no one signified their desire to attend the convention, no delegates were appointed.

A letter was read from Mrs. G. E. Yancy, from her home in Oklahoma City, thanking the Daughters for the lovely present sent her on the occasion of her recent marriage.

After the business session was over Mrs. Lancaster, assisted by the two daughters of the home, Misses Lucile and Dorothy Lancaster, and Miss Lucy Moorhead, served ice cream with the most delicious cake, almonds, etc.

Mrs. Edd Carmichael will be the hostess at the next meeting of the Daughters.

MR. MILLER IN A NEW BUSINESS

Success is promised Mr. Charles V. Miller in his new enterprise at Jacksonville. He has the best wishes of his Ocala friends. The forming of a large real estate company in the metropolitan city is Mr. Miller's sole aim. He has been identified with the land interests in Marion county for years. His father was clerk of the circuit court here, and there Mr. Miller got his first training. He afterwards became deputy clerk under the present incumbent, S. T. Sistrunk, and Tax Collector E. P. Thagard of Marion county, thus through this schooling Mr. Miller has become very proficient in knowledge of the lands of Florida in general. At the present time he is engaged in the turpentine business in Polk county. Mr. Miller married Miss Maxie Bullock, daughter of Judge W. S. Bullock. They will make their home in Jacksonville. The company will be made up of C. V. Miller, S. A. Rawls, F. J. O'Hara and Mr. Paul of Watertown.—Times-Union's Ocala Correspondence.

Among the pleasant callers at the Ocala Banner office on Monday was Mr. M. V. Ausley, of Umatilla. Mr. Ausley is a staunch friend and supporter of Hon. William Jennings Bryan, and dropped a dollar into the Bryan campaign contribution box. Mr. Ausley returned to Florida about two months ago from a two years' residence in Central America, where he was engaged in turpentine. He was located two hundred miles from a postoffice, and mail was frequently over three months in reaching him from Marion county. His experience while in Central America are very interestingly spoken of by Mr. Ausley, and although he does not regret them, he doesn't care to return.

Attorney E. W. Davis was recently sent a box of guavas by a friend and sent a negro boy to the depot for them. On the negro's return to the house without them, Mr. Davis inquired why he did not bring them. "Boss, dey ain't dere." Mr. Davis phoned and was informed that they were there. The negro went again, but soon returned and said, "Boss, dar is er box down dar fer yo', but whatever is in it is sho' dead."—Tavares Herald.

WANTED—Success Magazine requires the services of a man in Ocala to look after expiring subscriptions and to secure new business by means of special methods unusually effective; position permanent; prefer one with experience, but would consider any applicant with good natural qualifications. Salary, \$1.50 per day, with commission option. Address, with reference, R. C. Peacock, Room 102, Success Magazine Building, New York, 10-13.

Mr. W. B. Johnson returned from Saluda, N. C., and spent a day or two here before going to his home in South Florida.—Valdosta Cor. in Atlanta Georgian.

Mr. Johnson is a member of the Clark, Ray Johnson Company at Martel, and owns a delightful summer home at Saluda. He and Mrs. Johnson and their little daughter have been there for four months.

Mr. Lou Green returned home Friday afternoon from a two months' visit to the mountains of North Carolina. Most of the time he spent at Tryon.

THE BAND CONCERT

It was thought that last week's concert would be the last given by the Metropolitan Band this season, but Mr. A. E. Gerig, the splendid and popular leader of the band, was besieged with requests to continue the open air concerts as long as the weather continues pleasant, so the band decided to give another concert Friday night, much to the pleasure of everyone.

The weather was cool and bracing, with moon light, and, as is always the case when our band plays, a large crowd was out to listen to and enjoy the sweet music.

The baritone solo, "Long, Long Ago," by Mr. Frank Mathews, was very lovely, and the overture, "Poet and Peasant," was beautifully played by the band.

The other numbers were "Hearts and Flowers," "A Hunting Scene," "Melodies From Faust," "Tid Bits, a medley and the "Hunting Scene." The program was concluded with the very catchy and spirited campaign march, "The Candidate," which was a most appropriate number.

Col. J. H. Livingston received a telegram Friday from Orangeburg, S. C., announcing the death of his brother-in-law, Dr. Hydrick, who was very prominent in his profession. He was stricken with paralysis a few days ago while playing chess with his son and never recovered consciousness. Colonel Livingston is prevented from attending the funeral owing to the condition of his eye from which a cataract was recently removed.

Mr. N. Davis and Mr. A. D. Mitchell, of Summerfield, were Monday visitors to Ocala. These gentlemen said that the farmers in their section are now busy saving hay, and the crop promises to be abundant. In former times the farmers relied principally upon fodder as a forage feed, but in later years hay has taken the place of fodder and large quantities of it are now housed. Mr. Davis said that his son, Mr. Joe W. Davis, had forty acres yet to harvest.

Mr. and Mrs. A. E. Burnett and Mrs. Burnett's mother arrived home Friday afternoon from New York and Massachusetts. Mrs. Burnett and her mother have been in the north all summer and some weeks ago Mr. Burnett joined them in the latter state, going from there to New York. While in the metropolis, Mr. Burnett purchased very beautiful china, cut glass, silver, and many other handsome articles for his splendid store.

Mr. Charles Rogers of Lynne was among our out of town visitors Friday. He says that his father, Col. R. F. Rogers, turned fifty hogs into his pinder field Thursday and is feeling quite jubilant over his meat prospects for the coming winter. He has already housed ample foodstuffs to supply his wants. The colonel is one of the best farmers in the county, and succeeds because he is in love with his work.

Mr. Glass Lang of Miami is visiting his brother, Mr. Louis Lang, of this city. He says that the oranges and grapefruit in his section are excellent both in flavor and color, and the grove owners anticipate good returns, but the Avocado pear, Mr. Lang says, is the coming crop of the extreme southern section.

Mrs. C. S. Cullen and children, who have been spending the summer in eastern North Carolina with relatives, returned home Friday afternoon. Mr. Cullen joined his family in North Carolina a fortnight ago, and accompanied by Mrs. Cullen visited Philadelphia and other eastern cities and returned home with his family.

Work on the building across from the Banner office is steadily progressing and the same will soon be occupied by Mr. W. A. Kallenberger as a barroom. This does not increase the number of saloons in the city as the one recently run by Mr. Harry Precht, has been converted into a hardware establishment.

Mrs. Julia Palmer of Dunedin, who expects soon to pay Mrs. E. J. Redding a visit, will not open a boarding house here this winter, as has been stated. Mrs. Palmer's Ocala friends hope, however, that she will decide to spend the winter with us.

Mrs. N. G. Wade of Montbrook, the wife of one of our most prominent turpentine operators, spent Friday in Ocala shopping.

A CHARMING YOUNG MOTHER SAYS:

"I Want To Recommend Pe-ru-na To Mothers."

MRS. E. W. BROOKS.

Weak, Exhausted, Pe-ru-na Gave New Life.

Mrs. E. W. Brooks, 5415 S. Steele St., South Tacoma, Wash., writes: "I want to recommend Peruna to mothers. When my little girl came, I felt very weak and exhausted, and it seemed that I could not regain my strength.

"My mother bought me a bottle of Peruna, after I had tried several other much advertised remedies without relief. I had little faith, as I was very weak, but within a week after I had commenced taking Peruna I was like a different woman.

"New life and vitality seemed to come each day until in a few weeks I was in fine health and a happy woman. Thanks to your splendid medicine, I have enjoyed good health for several years. I always keep Peruna on hand, as a few doses will set me right when I am feeling badly."

Catarrh of Ears.

Mrs. G. W. Heard, Hempstead, Texas, writes in regard to her son Carl: "My son's ears had been affected since he was a baby. He seemed to have risings in his head. He would be very fretful for several days, then his ears would run profusely what appeared to be corruption. "The last year I thought he had almost lost his hearing and had a local physician treating him for about six weeks.

He pronounced him well and for a few weeks he was not troubled, but since that time the discharge from his ears was almost constant and very offensive. "Finally I began giving him Peruna and Lacupia, and after he had taken two bottles of the Lacupia he was entirely cured. "I cannot praise Lacupia and Peruna enough."

People Who Object to Liquid Medicines Should Buy Peruna Tablets

SPECIAL MEETINGS AT THE METHODIST CHURCH

Special services are being held at the Methodist church every afternoon and evening this week. The pastor, Rev. R. H. Barnett, will be assisted during the meetings by the presiding elder, Rev. F. R. Bridges.

The afternoon services will be held at half past three o'clock and the evening services at half past seven o'clock.

A cordial invitation is extended to everyone to be present at these special meetings and it is hoped that large crowds will attend.

The pastor is hoping for splendid results from these meetings.

On Sunday night Mr. Barnett delivered an excellent preparatory sermon as a fore-runner of these meetings.

Hon. B. E. McLin, commissioner of agriculture, was in the city, having arrived Friday from Alachua county, where he has been looking over the state convict camps of Dutton & Co. He is well pleased with the manner in which the convicts are being handled by the various lessees over the state at present. He had intended making a more extended tour of the state, but urgent business called him back to Tallahassee.

Mr. and Mrs. Joseph Shuford, who have been spending the summer in Asheville and Catawba county, North Carolina, have returned home. They had a delightful summer and were very much invigorated by the pure mountain air. Mr. Shuford says that he saw six light frosts before leaving for home.

Rev. R. V. Atkisson will attend the Baracca class social Friday night at the Merchants hotel and will deliver a talk to the members. Mr. Atkisson is one of the ablest of Florida's ministers and is pastor of the Live Oak church.—Madison New Enterprise.

Mr. L. Horn was a visitor at the West, Flynn & Harris Company on Thursday. Mr. Horn has been one of the most successful turpentine operators in the state. He left yesterday for the north on the Clyde line steamer Arapahoe for the benefit of his health.—Times-Union.

DIED IN THE COUNTY JAIL

Sims Towns, the negro who killed young Raulerson, foreman of the West lumber mill at Inverness, some weeks ago, died at the county jail in this city early Friday morning.

This murder created a good deal of indignation, and the county turned out almost en masse to capture the murderer, and had they been successful he would no doubt have been lynched.

Towns was sick at the time he committed the murder, and the exposure and hunger from lying in hiding in the woods aggravated his sickness, and when found and brought to Ocala for safe keeping he was almost in a dying condition.

Before his death, it is claimed that he confessed to the killing of three men.

It's easy to cure yourself with Hyomei. Four a few drops in the little inhaler, and breathe it in. The healing, soothing and antiseptic air will reach every nook and crevice of the mucous membrane of the nose and throat; will stop the irritation almost immediately; will allay the inflammation; drive out the foul odor; kill the germs and cure the disease.

"My wife has been using Hyomei for two months for catarrh. She has received more relief and benefit than from any other treatment."—E. S. Parret, Jeffersonville, O.
