DEATH OF MR. L. W. DREW

After an illness of several weeks Mr. Lucien W. Drew died Friday at noon at the Ocala House.

Throughout his illness he was hopeful of recovery until about a week ago, when he became despondent, and immediately sent for his attorneys, made his will and arranged all his earthly affairs, and from that time onward he looked upon death with the utmost composure.

Five days before his death he wired for his brother-in-law, Mr. Whitner, who immediately responded, and was fortunate to reach his bedside three days before his death.

Mr. Drew was born at Stanstead, Canada, in 1844, and at the time of his death was sixty-four years of age. He immigrated to the United States before reaching his majority and found employment as a mechanic in the state of Vermont.

Soon after taking up his residence in the home of his adoption the civil war broke out and he quickly responded to the call to arms and enlisted as a private soldier. He served throughout the war, leaving an excellent record.

As soon as peace was declared he returned to his home in Vermont and obtained a position with the Fairbanks Scale Company. This company was so much pleased with his services that they made him their special sales agent for the western territory with headquarters at Indianapolis, Ind. He remained with the company until about eleven years ago, when he came to Florida, settling in Belleview, and remained there until about three years ago, when he removed to this city.

Mr. Drew bought several very eligible lots in the residential section of this city, but disposed of all of his property both here and at Belleview about a year ago, and converted all of his holdings into stocks and bonds.

His estate is estimated at fifty thousand dollars or more, all of which he has left to his relatives, a sister, a brother, two nephews, and two nieces, all of whom live in Vermont.

The body will be sent to his old home in Newport, Vt., for interment.

Mr. Whitner was left executor of his estate, and the will will be probated before Judge Bell this morning.

Mr. Drew, owing to a severe fall, was compelled to walk on crutches during the later years of his life, and being naturally of a quiet and unobtrusive disposition, did not make a very large circle of acquaintances, but those who had his confidence found in him much to admire.

Mr. A. L. Eichelberger left last Friday for Atlanta, where he goes for medical treatment and to be with his family, who are now in that city. In his younger days Mr. Eichelberger was a great factor in the development of this county, and his name was connected with nearly every business enterprise. During the days of his prosperity he kept "open house," and his generosity was unbounded. Like Logan, the great Indian chieftain, he could well exclaim: "None ever entered my home hungry and I gave him not meat; none ever came naked and I clothed him not!" His latchstring hung ever on the outside and his purse was open to every demand made upon it. His hands were always outstretched to those in distress. His friends regret that in his advancing years that he is feeling the reverse of fortune and the inconveniences that follow in the track of the same.

Mr. John W. Stevens called in to see us on his visit to Ocala Saturday morning. He says that Mr. Rentz is making preparations to erect his big mill at Fort McCoy, that it will have a capacity of 100,000 feet per day, and will employ a large number of hands, which means a great deal for that neighborhood; that Mr. Rentz is beginning the construction of an elegant residence for himself and very soon Fort McCoy will become one of the busiest points of the county; that having been without railroad facilities until now the timber had been undisturbed, and it is perhaps the best timbered section in Florida. The mill can be supplied with stock logs for many years to come.

The friends of Mr. and Mrs. Henry Raysor will regret to learn of the death of the latter's father, Mr. Reed, which occurred yesterday at 12:30 o'clock. He had been sick for several weeks and Mrs. Raysor was with him for more than a week before his death. Mr. Raysor received a wire Thursday of his critical illness, and left immediately for Denmark.

IN MEMORIAM

The following preamble and resolutions were adopted by Ocala Post No. 17, Dept. of Fla. G. A. R., at its regular meeting on Saturday, October 17, 1908:

Whereas, In the mysterious working of the divine will, our honored commander and comrade, Thomas J. Owen, has suddenly been removed from earth to that "undiscovered country," of which we know so little and speculate so much, but which we believe the poet saw with clear vision when he gave voice to those beautiful words,

"There's a land that is fairer than day,
And by faith we can see it afar,"

and trusting that our departed comrade has there found sweet rest; therefore, be it

Resolved, That whilst we grieve at this dissolution of our earthly ties, we rejoice in the memory of the many admirable qualities of our departed comrade. His charity was broad, his generosity bounded only by his means, with a willing ear and ready response to all appeals from the unfortunate or distressed. A warm-hearted comrade, a worthy citizen and an exemplar in all good works. Being human, he may have had faults, but if so, these will easily be forgotten. If we emulate his virtues we shall do well. Be it further

Resolved, That we sympathize deeply with the bereaved members of his family, and especially with the sisters, who, since the death of his dear wife one short year ago, have made his welfare the particular object of their solicitude. And, be it further

Resolved, That a memorial page be set apart in the Journal, and that a copy of these resolutions be given to the local press, with a request for their publication. COMMITTEE.

Saturday was a rather busy day with our merchants. Besides our local shoppers there were quite a number from neighboring points. Among others we noted the following: Mr. E. J. Johnson of Cornell, a former member of our corps of correspondents; Mr. Isaac Nix, of Belleview; Mr. W. B. Roberts, of Lynne; Mr. S. L. Griggs, of Oxford; Miss Dixie Pills, of Lake Bryant; Miss Bettie McCarley, of Electra; Mr. Peff Rutland, of Sumner county; Mr. Robert Neal, of Anthony; Mr. W. M. Shockley, of Lowell, and Mr. McLeod of Kendrick.

Mrs. Herbert L. Anderson and her daughter, Miss Frances Anderson, who have been spending the summer at their summer home on one of the pretty lakes in Michigan, are now in Jacksonville, where they will in all probability spend the coming winter. Mr. Anderson spent several days in Jacksonville last week with his wife and daughter. Miss Anderson was graduated last June from Vassar College. Her sister, Miss Lillian Anderson, is again at the Emma Willard school at Troy, N. Y., this winter.

Mr. Brunson Clark, writing of the camphor groves of Formosa, in McCall's Magazine, says that they are so damp that no white man can live in them. The camphor tree thrives well in Florida, and it seems to be its habitat. The cultivation of the trees produce no bad effects on the white persons who till them and, indeed, the trees grow so rapidly and are such absorbents of moisture that the camphor groves and hedges are dry, rather than damp. Some one has been imposing upon Mr. Clark.

Trade is becoming more and more brisk in our city. There were quite a number of out of town shoppers yesterday. Among others we noted the following: Capt. and Mrs. J. B. Martin of Oklawaha, Mr. John W. Stevens of Fort McCoy, Mr. D. A. Clark of Martel, Mr. and Mrs. Ferny Blitch of Blitchton, Mr. W. M. Shockley of Lowell, Mr. George Petteway of Leroy, Messrs. Bridges and Bridges of Coleman, Mr. H. C. Morrison of Stanton, Mr. J. E. Adams of Weirsdale, and Mr. M. M. Proctor of Pedro.

A rumor was on the streets Friday that Mr. F. M. Brown, recently bound over to the United States court for robbing the mails, had taken twenty-four half-grain morphine tablets with suicidal intent. Sheriff Galloway and Dr. W. H. Powers hastened to Mr. Brown's home and found that he had been taken suddenly ill, but was not unconscious, and when these gentlemen left him he was resting comfortably with every prospect of recovery.

MONUMENT UNVEILED

On Sunday afternoon the Ocala lodge of Woodmen of the World, which is one of the largest organizations in the city, unveiled a monument which they have erected in memory of the late Thomas H. Wallis, whose sudden death last summer was so greatly lamented all over the state.

The pretty unveiling ceremonies of this order were used and they were very solemn and beautiful.

The officers of the lodge, Consul Commander Martin, Past Consul Commander Gottlieb and Clerk C. K. Sage conducted the services, after which Mr. C. L. Bittinger made a short talk, making most appropriate comments on the life of the deceased member and of the Woodmen lodge, of which Mr. Wallis was such a prominent member.

Besides the members of the lodge, Mrs. Wallis and children and quite a number of the friends of the Wallis family attended the unveiling ceremonies.

After the pretty monument was unveiled it was covered with lovely flowers by the members of the lodge and other friends of the deceased.

Mr. John W. Sylvester, who has been down to St. Petersburg for the past week, is at home again. He says that the winter visitors are already flocking to that well advertised resort and the hotels and boarding houses are looking forward to the biggest tourist visitation in the history of St. Petersburg, and to accommodate the same the facilities have been largely increased. Mr. Sylvester says that St. Petersburg is growing very rapidly.

Mr. W. B. Dickenson, superintendent of public instruction of Hillsborough county, was a visitor to our city Friday. He was here interviewing our banks for the purpose of making a \$30,000 loan for the school board. He succeeded in negotiating a loan for a similar sum from the banks in Gainesville. Mr. Dickenson is a former Marion countyite. As soon as his term of office expires he will begin the practice of law.

Mrs. Truett Polk Drake and her handsome little son, Master Trust Polk Drake, Jr., are the guests of Mrs. Drake's sister, Mrs. Charles P. Lovell, at her home in Springfield. They have recently returned from the west. Mr. Drake will come from Yalaha for a short visit on Friday. Mrs. Drake and Master Drake will visit here several weeks, news which will be pleasant to their many friends.—Times-Union.

Mr. Montholen Atkinson of Berlin was in Ocala Saturday and was in a particular enthusiastic mood for Bryan. He has given much study to the subject of politics and is thoroughly of opinion that Mr. Bryan will be elected by the largest majority ever yet polled for a candidate for this office. He predicts a landslide so overwhelming that Roosevelt's majority over Parker will look small.

Mr. and Mrs. Howard Clark have had to give up the home they have been occupying, as Mr. Maynard and family expect to fix up the house immediately and move into it. Mr. and Mrs. Clark are with Mr. Clark's mother, Mrs. W. H. Clark, until Mrs. Croom's cottage on the corner of South Second and Wata streets is completed, when they will move into it.

The Stokes brothers—Barney, Lee and Tom Stokes—who were on trial in Lake county for the murder of Watt Zellner at Floral City some months ago, were acquitted and passed through Ocala yesterday on their return home. The case excited a great deal of interest, and a great many witnesses and spectators were in attendance.

Mr. George Stein, who took up an estray cow, has found the owner for same. Mr. Stein has developed into a most successful farmer. From ten acres of land he housed three hundred bales of hay and he says that it is as fine as hay gets to be. He had a most excellent season for harvesting the same.

Mrs. M. E. Washburn and her daughter, Miss Emma Washburn, formerly of Belleview, are now residents of Ocala, and are occupying a cottage on Orange avenue. Miss Washburn is a trained nurse, and has a splendid reputation. We are glad to welcome her and her mother as residents of our city.

A VILLAGE HOME

Where Pe-ru-na Is Used As An All-Round Reliable Family Medicine.

There Are Thousands of Similar Homes In Which Pe-ru-na Is Being Used With the Same Excellent Results.

Fountainville, Pa., Feb. 16, 1902.

S. B. Hartman, M. D.

Dear Sir: I have been thinking of writing to you for some time to let you know what Peruna did for me.

I am 57 years old. I lost my health about six or seven years ago. I first had dyspepsia and employed different doctors.

Last year I injured one of my kidneys. I had one of the best doctors for that. He put me to bed, not to move for two weeks.

I slowly recovered, but was so weak and prostrated that I could walk but a short distance. In fact I had to keep quiet.

I took several remedies, but obtained no relief. I also had catarrh in some form.

My wife advised me to take Peruna, and it is with pleasure that I can say that by taking one and one-half bottle of your Peruna, it cured me and I feel all right. I send this with many thanks to you, as I enjoy life again.

My wife has also been taking your Peruna for asthma and it helps to relieve her. We keep your Peruna in the house constantly. Again I say I thank you for Peruna.

Sincerely yours,

PHILIP KRATZ.

Fountainville, Pa., Nov. 9, 1903.

Dr. S. B. Hartman.

Dear Sir: I have good health now and your valuable medicine gave me good health. I have had no doctor for some

time, as I do not need any. When I take cold I take Peruna and in a short time I am all right. My wife is subject to asthma. She takes Peruna at that time, and she has had no need for a doctor for some time. With many thanks for your medicine, we remain,

Sincerely yours,

PHILIP KRATZ.

Fountainville, Pa., April 16, 1906.

Dr. S. B. Hartman.

Dear Sir: We have Peruna in the house all the time and when we think we need it, we take it. We are about sixty years old and have not called a doctor to our place for some years.

We go out in all kinds of weather and sometimes when we go on a trip we take Peruna along. A preventive is better than a cure. That has been our experience.

I had poor health some years ago and when I found your medicine I hit the right thing. We both thank you for your good medicine.

Sincerely yours,

PHILIP KRATZ.

Witness to Signatures.

J. John Donnelly, Mayor of Doylestown, Pa., have been acquainted with Mr. Philip Kratz for 25 years. I know him to be an honorable and useful citizen. He, in my presence, signed the above statements concerning Peruna, which I have every reason to believe are true in all particulars.

WARNING TO VIOLATORS OF THE GAME LAWS

He pleaded guilty and was given the extreme limit of the law, the sentence being that the defendant pay a fine of one hundred dollars and costs, or in default of the payment of said fine and costs to be confined in the county jail for a period of sixty days at hard labor.

T. B. Hartig, who formerly edited a paper in Dunnellon, and now edits a paper in Jessup, Ga., was nearly thrashed the other day with a new buggy whip by one Joseph Morris, a member of the Georgia legislature. Mr. Hartig is not a very bright, particular star in journalism.

Mr. B. E. McLin of Tallahassee, commissioner of agriculture for the state, and Mr. S. A. Rawls of Jacksonville, the lessee of the state convicts, came down to Ocala Sunday night, and Monday went out to Salt Springs to inspect the prison camps there. They will also visit other prison camps in this section of the state.

MAKES ASTONISHING CURES

Hi-o-na Tablets Cure Dyspepsia by Promptly Removing the Cause, or Money Back

Dyspepsia cannot be cured by taking a digester, such as pepsin, because pepsin simply digests your food artificially, and not all of the food either, for it has no effect at all on starchy food, such as potatoes, rice, oatmeal, bread, etc.

There is just one way to cure dyspepsia and stomach disorders, trivial or serious, and that is to tone up or put energy into the stomach walls, so that they will be able to properly mix or churn the food.

Hi-o-na tablets cure stomach troubles by putting strength and energy into the stomach. They quickly arouse the stomach from its inaction, and in a short time it is able to do its work properly.

Hi-o-na is successfully used in vomiting of pregnancy, in car and sea sickness.

And bear in mind that when the stomach is in good condition, constipation disappears, also nervousness, drowsiness, night sweats, heartburn, etc.

The Postoffice Drug Store sells Hi-o-na tablets at 50 cents a large box, under a rigid guarantee to do all that is claimed for them, or money back. 10-13-02 w 10-23

Capt. J. B. Martin of Oklawaha made a pleasant call on the Consul-Capt. Martin is an extensive and successful naval stores operator. He is a lover of fine horses and his teams are among the best in the county.—Times-Union.

Dr. S. H. Blitch, manager of the Commercial Bank of this city, is on a visit to Jacksonville. Under his management the Commercial is growing right along, and the deposits show that there is a silver lining in the financial skies.

In the boat race at Connor on Saturday between Mr. Randall's Wenona and Mr. Mason's Oregonian, the latter proved victorious. A great deal of interest was manifested in the race. Mr. Randall expects soon to race the Wenona against Mr. Frank Mathews' Merry Widow.
