

Little Things Annoy or Please Us

Little things annoy us—the little curl of smoke that, if left alone, would soon smudge the furnishings and make work for the house-wife. There are no annoying little things in the

PERFECTION Oil Heater

(Equipped with Smokeless Device)

They've been banished by hard thought and tireless work. In their stead there are little things that please—that make for comfort and satisfaction. The little self-locking

Automatic Smokeless Device

that actually prevents smoke—the little lock on the inside of the tube that holds the wick in check—keeps it below the smoke zone, so accurately adjusted that it cannot go wrong—these are some of the little things that please—that have contributed to the name and fame of the Perfection Oil Heater.

The most satisfying heater you can buy—always ready—easy to manage—always dependable—quickly cleaned. Brass font holds 4 quarts—burns 9 hours. Attractively finished in Nickel or Japan in various styles and finishes.

In Bad Fix

"I had a mishap at the age of 41, which left me in bad fix," writes Mrs. Georgia Usher, of Conyers, Ga.

"I was unconscious for three days, and after that I would have fainting spells, dizziness, nervousness, sick headache, heart palpitation and many strange feelings.

"I suffered greatly with ailments due to the change of life and had 3 doctors, but they did no good, so I concluded to try Cardui.

"Since taking Cardui, I am so much better and can do all my housework."

Take CARDUI

The Woman's Tonic

Do not allow yourself to get into a bad fix. You might get in so bad you would find it hard to get out.

Better take Cardui while there is time, while you are still in moderately good health, just to conserve your strength and keep you in tip top condition.

In this way your troubles, whatever they are, will gradually grow smaller instead of larger—you will be on the up-grade instead of the down—and by and bye you will arrive at the north pole of perfect health.

THE CRY OF THE SEMINOLE

(Anne McQueen of Tallahassee in the New York Sun.)

The White Man saw our land was good, to the north, the east and west.

He left no place for the Seminole, where the sole of his foot might rest; But he pointed south to the vast lagoons, and the marshes dark and wide.

Where the saw-grass stings and the swamps are din, and the deer and otter hide.

Far south, to the land of the Everglades, and he said: "Red Brother, see,

We will keep the land that is good to us, and the swamps we give to thee!"

Then we pitched our tents in the Everglades, and fished in the wide lagoon.

And we kept our sacred feasts and fasts, and we danced in the green corn moon.

We trapped the otter and shot the deer, and we hoed the corn in the sun—

The Seminole's heart was glad in his breast that his journeyings were done!

But the White Man looked once more to the south, where the swamps and marshes lie,

And forgot the words his fathers spoke in the days long gone by.

Forgot the word that the fathers spoke, and he said: "The land is fair,

And it is not meet that the Seminole should have it for his lair!

We will dig us ditches, deep and wide, that the lakes run down to the sea. Till the marsh is dry and the cane shall grow where the fish and otter be;

And the Everglades shall bring us gold—we will plant all the swamp land low!"

But in the swamp the Seminole dwells and where shall the Seminole go? White Brothers! Few are the braves of our tribe, and the squaws and children weak,

Our eyes are dim, and we cannot see the lands that you bid us seek.

To build in the swamp and bide in the swamp that holds the bones of our dead,

To trap the otter and to catch the fish, and to plant the corn for bread, This only asks our tribe of you, White Man of the north and the west—

A little place for the Seminole where the sole of his foot may rest!

VARDAMAN AND THE RACE QUESTION

Ex-Governor Vardaman of Mississippi is in Florida, and will lecture in Ocala and Tampa, doubtless on the negro question. Mere alarmist talk on that issue we do not need in the south. We want to hear from the man who can show us the practical solution—not the agitator who only fills us with gloomy forebodings, stirs our resentment and hate, hardens our prejudices, and by just that much increases the friction and irritation, and makes conditions worse. We have never heard ex-Governor Vardaman, but we have read much of and from him, and from impressions thus gained we cannot think of him as a hopeful counsellor on this issue. One of the prize assets of any southern community is a really able and well-informed man who is a cheerful philosopher on the negro problem; but there is no man in the world today wise enough to solve it. Only the innumerable agents of evolution, guided by Divine Providence and working through generations, can accomplish that stupendous task.—Live Oak Democrat.

Alone in Sawmill at Midnight

Unmindful of dampness, drafts, storms or cold, W. J. Atkins worked as night watchman at Banner Springs, Tenn. Such exposure gave him a severe cold that settled on his lungs. At last he had to give up work. He tried many remedies, but all failed till he used Dr. King's New Discovery. "After using one bottle," he writes, "I went back to work, as well as ever." Severe colds, stubborn coughs, inflamed throats and sore lungs, hemorrhages, croup and whooping cough get quick relief and prompt cure from this glorious medicine. 50c. and \$1. Trial bottle free. Guaranteed by Tydings & Co.

STATE RELEASES MORTGAGE

The most important legal papers filed in the office of the clerk of the circuit court last week were the release from the state of Florida to the Davie Realty Company of the \$66,666 mortgage on the 80,000 acres of Everglades land purchased from the state about a year ago, and a deed from the Davie Realty Company conveying 46,080 acres. This latter tract is in townships 52 and 62, in ranges 38 and 39, east. Another deed was recorded conveying 16,960 acres to the Garden Land Company, in townships 53 and 54 of the same range. The two companies mentioned above purchased their land from the Davie Realty Company some time ago, and have recently made final payments and secured deeds. These tracts are considered the best of Everglades lands, as the Davie Realty Company was one of the first land companies to purchase land in this county, and had the choice of property.—Miami Metropolis.
