Dr. J. H. Belyea left Sunday evening for Fargo as a representative of Fort Buford Lodge No. 18, I. O. O. F., at the Grand Lodge in session in that city this week.

Samuel L. Lum was brought before the insanity board last Monday on the complaint of his son Calvin, but upon examination Mr. Lum was discharged, the evidence not being sufficient to sustain the charge.

Don't fail to read the ordinance on vagrancy. It demonstrates the determination of the city council to rid the city of that undesirable class which is so annoying to every peaceable and law-abiding community.

A successful operation for imitation clubfoot was performed by the Drs. Belyea upon the child of Mr. and Mrs. J. B. Peppinger, on Monday of last week. Mr. Peppinger informs the Graphic that the child is getting along splendidly.

Vote early and often. We want our own to win that "Keystone Maid" and "Red Fern" Contest.

A Costly Mistake. Blunders are sometimes very expensive. Occasionally life itself is the price of a mistake, but you'll never be wrong if you take Dr. King's New Life Pills for Dyspepsia, Indigestion, Headache, Liver or Bowel troubles. They are gentle yet thorough. 25c, at S. Brownell's Drug Store.

Rev. A. L. Woolley will preach on the subject of Amusements at the M. E. Church next Sunday evening. All are invited as it is a subject that interests all. Services begin at 8 o'clock.

Mr. and Mrs. M. G. Coleman left last Monday afternoon for their new home at North Bend, Oregon. A large concourse of friends accompanied them to the depot, and strong demonstrations of regret were manifested at their departure. Mr. and Mrs. Coleman were bright and valuable adjuncts to the social and literary circles of Williston, and their absence will leave a void in the dramatic realm of the city which it will be difficult to fill. Mr. Coleman's departure also leaves Williston without a jeweler and watch repairer.

All cigar dealers reported a great interest in the "Popular Lady Contest" offered by the manufacturers of "Keystone Maid" and "Red Fern" Cigars.

There occurred a very pretty home wedding at the residence of Mr. and Mrs. F. D. West, of our city, on Wednesday evening at 7:00 o'clock, when Mr. E. H. Rupert, of Great Falls, was united in marriage to Ina F. Browne, the sister of Mrs. West. The bride was gowned in pale gray silk mull, and carried exquisite white roses. The groom wore black-embroidered chifon, with pink carnations. The impressive ring service was used by the Rev. A. L. Woolley, pastor of Methodist church. They will leave after a few days for a trip to the mountains for their honeymoon.

County Treasurer Snyder has been on the sick list for several days past.

Tickets will be \$1.00. Mr. Slocum is holding down a claim a few miles out from Williston, but will spend a portion of his leisure time in giving entertainments for the benefit of the amusement-loving people of the city. Watch for bills announcing the dance.

Fight Will Be Bitter. Those who will persist in closing their ears against the continual recommendation of Dr. King's New Discovery for Consumption, will have a long and bitter fight with their troubles, if not ended earlier by fatal termination. Read what T. R. Beall of Beall, Miss. has to say: "Last fall my wife had every symptom of consumption. She took Dr. King's New Discovery after everything else had failed. Improvement came at once and four bottles entirely cured her. Guaranteed by S. Brownell Druggist. Price 50c, and \$1.00 Trial bottles free.

The "Basket Ball" game played at the Opera House last Thursday evening between the Williston Team and the High School girls, proved a very interesting event, and a veritable Waterloo for the former team. We cannot give the participants the write-up merited, nor particularize their excellent work, but suffice it to say, that the High School girls walked off with the highest laurels and all the prizes in sight, gate money and all, except a small amount of the latter, which belonged to the Williston team by right of prior agreement. Those engaged in the game were as follows: Williston Team—Mrs. W. H. Denny, Lillie Nelson, Maud Bell, Ota Attenberry and Julia Carlson. High School Team—Ethel Lemery, Midge Baldwin, Belle Monroe, Ida Baldwin and Cora Boyd. H. J. Case acted as referee, and was right in his element.

Revolution Imminent. A sure sign of approaching revolt and serious trouble in your system is nervousness, sleeplessness, or stomach upset. Electric Bitters will quickly dismember the troublesome causes. It never fails to tone the stomach, regulate the kidneys and bowels, stimulate the liver, and clarify the blood. Run down systems benefit, particularly and all the usual attending aches vanish under its searching and thorough effectiveness. Electric Bitters is only 50c, and that is returned if it don't give perfect satisfaction guaranteed by S. Brownell Druggist.

Notice to Catholics in Williston and Vicinity. From Sunday June 28th to Wednesday June 29th inst, a mission will be conducted in St. Joseph's church at Williston by a Redemptorist Father from St. Louis, Mo. It is the duty of every Catholic to make earnest effort to attend whenever possible the divine services of the mission. The order of services will be announced on Sunday June 28th, at 10:30 by the missionary himself.

A mission offers special opportunities to both the fervent as well as the careless Catholics the former by confirming them in their faithful services of God and their devotion to duty, to the latter by reminding them that it is folly to spend their whole lives ministering only to bodily comfort to the entire neglect of God and their obligations to him. Do not look for excuses to keep away from the missions. Come and bring your friends.

Rev. Joseph Raith, Rector of St. Joseph's Church. 483]

Close of School.

The Williston school closed for the year on Friday last, having proved one of the most successful terms in the history of Williston for which the people of this city, together with the board of education, is greatly indebted to Prof. Clarence Ellithorpe, and his able corps of teachers. There was no "Commencement" exercises at the close of the term, for the reason that an additional year has been added to the course of study, thus leaving no class to graduate. The vacation will last until the first Monday in September, when the school will reopen with the addition of one new teacher, making seven teachers in all, including the principal. The list of teachers engaged for the ensuing year, all of whom are first-class and experienced instructors, are as follows: Principal—Clarence Ellithorpe, re-engaged. Assistant-Principal—Miss Eva A. The North Dakota State Fair at Mandan which will be held September 27, 28 and 29, 1904 will be larger than ever. The reputation of this fair has been well established by holding nine successful exhibitions. Each year has witnessed a steady growth in both exhibits of descriptions and in point of attendance. The rapid strides this state is making in coming to the front as an agricultural and stock growing country has attracted many new settlers and the exhibits when viewed at the fair always cause expressions of surprise from those who are not acquainted with our resources, and it is the duty of every loyal citizen to help the State Fair management each year in trying to surpass the previous in bringing about a creditable exhibition for the this state. The officers this year are in the field early and will make every effort to secure a creditable display. They are also securing attractions to amuse as well and the grounds are already being used as training quarters for several speedy horses.
