If you have property to sell, list it with the Williston Land company. The record of quick sales for the company in the last 4 weeks should be sufficient to prove the value of listing with the right company. 51-11  
Lorenzo T. Van Slyke was going around the city—the latter part of last week the proud possessor of a marriage license. Van did not have much to say as to the date or anything, but we heard that her name was Maude.  
Attorney Edwin A. Palmer who recently came to Williston will have his law office in the Bruegger Block. The plasterer commenced work on the offices the middle of the week so that Mr. Palmer states that he expects to be in his office the first part of the week. As he has a large law library he will have his office equipped in first class shape to take care of his practice.  
The crew of surveyors who are working for the G. N. near Wheelock have instructions to find a new grade for the track from Wheelock to Williston which will lower the grade to at least twenty-five per cent. The grade at present is about 65 per cent and we are informed that the surveyors have surveyed a new right-of-way which makes the grade less than twenty-five per cent.  
Last Monday night Miss Leah I Berg of this city and Thomas Shier of Minot were united in marriage by Rev. Hollett of the M. E. church of this city at the parsonage. Miss Leah Berg the bride is one of Williston's best known young ladies and the groom is a prominent railroad man of Minot and has hosts of friends in that city and throughout the entire state. After the ceremony the couple left for Minot where they will make their future home.  
Doctor Jennie Farrell and F. E. Farrell arrived here the first of the week. Doctor Farrell was the first woman physician in the territory of Dakota and for many years practiced in New York City and physician to the Woman's Hospital and Dispensary. Mr. Farrell was the publisher of the first newspaper west of Larimore on the Great Northern and has for many years superintendent of the New York Post Graduate Medical School and Hospital. They returned to the state recently and now locate here.  
A case was brought against Jack Dwyer the first of the week by the city charging him with owning a building where roistering, revealing etc. was allowed. The case was based upon some trouble there on the night of the 6th of this month. At that time several parties were in there causing trouble. The case was tried before Justice Mitchell and a jury was called. The case went to the jury Tuesday afternoon and they were out until Wednesday morning when a disagreement was reported. Mr. Dwyre claims that the parties who were making the disturbance came in there drunk and he tried to get them out but had considerable trouble in doing so.  
**An Opportunity**  
When you want money for your proof I want to make you the loan. My rate is ten per cent and everybody is treated alike. Your proof will be taken at the office made. The money is always ready and there will be no delays whatever. No attorney fees, no bonus, no charge for inspection. A. L. Butler.
