### HIGH SCHOOL NOTES

The H. S. Foot Ball Team is preparing for the battle which will take place Saturday p. m. Oct. 26th.

When our boys went to Minot they were defeated but not conquered and next Saturday they intend to show Minot what they can do.

Saturday evening the H. S. pupils will give a reception and banquet in honor of the Minot H. S. representatives. However the game turns out we intend to make them want to come again.

Last Friday afternoon the H. S. Literary society had a meeting and a very interesting program was rendered.

The Seventh grade gave their teacher a fruit shower Friday the 18th.

The H. S. will miss Miss Anna Perkins who has gone back to Minnesota.

Show your patriotism for your city and your school by coming to the Foot Ball Game Saturday afternoon.

The second division of the Literary society gave an interesting program last Friday. The next meeting will be held Friday Nov. 1st.

Last Friday the H. S. Boys played a game of football with a picked up team of young men about town. The score was 5 to 1 in favor of the H. S. The boys feel grateful for the young men's assistance as their chief draw back

is no opposition at practice. They will have another practice game on Thursday the 24th.

The Stenography and Typewriting Class are showing great interest in their work. Most of the class are making good progress and some excellent stenographers may be expected from this class.

Don't forget your colors, orange and black, when you start off for the football game next Saturday afternoon.

### WOMAN SLAIN BY A ROBBER.

Chicago Kindergarten Principal Found Choked to Death.

Chicago, Sept. 21.—Mrs. Lillian White Grant, 40 years old, a widow, well known in Hyde Park and principal of a kindergarten, conducted in the building of the University Congregational church, was found murdered in her room at 5539 Madison avenue, Friday.

Every article of jewelry owned by Mrs. Grant was missing and it is believed robbery was the object of the murderer. Her body was found lying across the bed dressed only in night clothing. One of her own garments was twisted tightly about her neck and knotted under her left ear. Death had been caused by strangulation or a broken neck.

The imprints of the fingers of the woman's assailant were found on her neck, which was broken by the murderer. A colored man who had been assisting Mrs. Grant in preparing to move is being sought by the police.
