

PRESIDENT HILL OF THE GREAT NORTHERN SAID THIS WEEK:

"Williston is Going to Be a Winner."

It is his opinion that will be one of the large cities of the northwest and that its growth from this time on will be rapid.

His Judgment Is Worth Money

A Homeroft lot or acre plat at \$125 and \$150, only \$5 down and \$5 a month, with no interest if paid when due, is a piece of Williston whose value will increase just as surely and rapidly as the city grows. Like Williston, it will be a winner. We are ready to show these lots and acre tracts to you at any time. Call up No. 8 or, better still, come in and let us tell you about them.

Why not take advantage of it and profit by it? The surest and safest way to prosper with Williston is to own a part of it. You can get a part of Williston to-day at a price and on terms that puts the opportunity in your hands. Don't let it get by you without giving it careful thought and consideration.

The surest and safest way to prosper with Williston is to own a part of it. You can get a part of Williston to-day at a price and on terms that puts the opportunity in your hands. Don't let it get by you without giving it careful thought and consideration.

Notice of Call For Assessment For Williston Water Users Association

At the regular meeting of the Board of Directors of the Williston Water Users' Association, held September 7th, 1908, it was decided to make an assessment of fifty cents (50c) per acre to cover the following expenses, to-wit:

1. Estimated cost of material and labor for the ensuing year..... \$ 100 00
 2. Estimated cost of salaries of officers and wages of employees..... 1875 00
 3. Estimated cost expense in connection with keeping horse and buggy..... \$100 00
 4. Expenses incurred in the past and not paid including wages of Mr. Hawley, salary of officers, printing, etc., 1901-32 2091 32
 5. Total estimated and known costs..... 4066 32
 6. There are approximately 9749 shares of stock the owners of which will be assessed for the above mentioned assessment of fifty cents (50c) per acre.
 7. The assessment per share will be fifty cents (50c) per acre.
- Each shareholder in the Williston Irrigation Project is hereby notified that the Board of Directors will consider each and every objection to this assessment at their first meeting in October, being October 5th, 1908, at the regular office. All objections must be given in writing which will become a part of the minutes of the said October meeting. If the objections presented seem pertinent and satisfactory, the Board of Directors may lower the assessment. At the October meeting the final assessment will be levied. By order of the Board of Directors at a regular meeting held September 7th, 1908, in Williston, N. D.
- 11-4t E. R. BROWNSON, Sec'y.
