FALL OPENING SALE

Now in Full Force

On our opening day, October 3rd, the weather was rather against us, but it seems the crowd was with us, and they keep coming now in larger crowds and it shows that the public appreciate the great **values** we offer.

Consider quality and price. You will surely follow the crowd to "**The Hub.**" We do not put up any "hot air" stories or bring in job lot goods to blind the public. We offer you a real **bona fide** reduction sale on high grade merchandise. We guarantee every article we sell or money cheerfully refunded if goods are not as represented.
