Ten Days Only

AT THE BOSTON

Remember the Dates, May 18 to May 29 inclusive
Ten Days Only

Second Annual Gigantic Sale

of high grade ladies, misses and children's spring and summer clothing

On account of the backward spring and unseasonable weather of the past four weeks goods have not moved as fast as they should and we are obliged to put on sale our immense spring and summer stock of high grade women, misses and children's spring and summer clothing, furnishings and shoes. This big sacrifice for cash sale last for ten days only and will be by far the biggest bargain sale of the season.

Beginning Saturday, May 18th, at 9 a. m.

—ending Wed. May 29, 6 o'clock sharp—10 buying days

Every article in the store will receive a cut in price that will range from fifty to sixty cents on the original selling price. Many of these goods go at actual manufacturers cost, which represents a great saving to you and is a plain case of trading dollars with us. Many articles at below cost. Be here on the opening date.

ALL PREVIOUS SALES LOOK NEXT TO NOTHING

The reduction that impels this tremendous selling movement is phenomenal, never having been attempted on this class of goods by any merchant of this city. We ask the particular people who realize extremely large values, to examine this merchandise and pay attention to the quality of the material and the workmanship that has entered into the making of the garments.

This sale is for the masses and the classes—masses because of the low prices made—classes because of the exclusive quality of the goods offered. We want to make this the GREATEST SALE OF LADIES' GOODS ever given in Williston. All former attempts at merchandising ever attempted by us or any other merchant in the city or within two hundred miles surpassed. One dollar spent here at this time will do the work of two dollars or more at any place else. We are conducting this sale OURSELVES. We might be able to burn a little more red fire if this sale was conducted by an out of town sales company but in putting on this sale ourselves we are able to give YOU the percent that would go out of the city. We prefer to give the buyer this rather than some one else, hence we are enabled to make the reductions we are. We have put on extra sales people and you will have no long waits for to be shown goods and be the weather bad or good the sale will go on for TEN DAYS and then will be over—May 29. Not an item will be held in reserve—if you value money and wish to save don't miss it; here the dollar will buy you more high grade clothing in the next ten days than you may expect it to for many months to come. The entire stock from wall to wall will go. Bad weather—late spring—full shelves—no money; that in brief is the story. Cash sale at prices that are in some instances trading dollars and in many losing money. OUR GUARANTEE: We guarantee each and every customer absolute satisfaction.

When the doors open at nine o'clock Saturday May 18th be there and get the cream of the assortment before lines are called—these goods will sell—take our word and come and see for yourself.

THE GREATEST SALE IN EVERY POINT OF VIEW

Greatest in variety of goods shown, greatest in the desirability of merchandise, greatest in the remarkable reductions, even from former reasonable selling prices. It is a well known fact that the Boston carries the most exclusive line of Ladies garments between the Red River and Spokane. You can figure for yourself what this sale means to you—it is the opportunity of the summer.
