NORTH DAKOTA

NORTH DAKOTA BUSINESS COLLEGE

Every person needs a business training. It costs no more at this great Business, Banking and Shorthand college, under strict supervision, than at a small, untested one. The results are, however, very different. 350 D. B. C. pupils went to excellent positions in banks and offices this year—had calls for over 800. All Fargo banks and 600 others employ D. B. C. graduates as stenographers, bookkeepers or stenographers. No other school offers such endorsement.

BUSINESS COLLEGE

Our 500 course prepares for business or for position as clerk or bookkeeper. Our new 805 course in Commercial and Banking (endorsed by Bankers' Association), supplies cashiers and tellers for the Northwestern banks, and graduates and credit men for the larger concerns. The shorthand course (under two expert reporters), trains court reporters and high grade stenographers. The stenographers for the U. S. District Court, N. D. Supreme Court, Third Judicial District and the Cass Co. Court are D. B. C. graduates. Do other schools offer this PROOF of superior training?

The D. B. C. has built a magnificent new building (350,000 cubic feet of space), is seated with roll top desks, has 100 typewriters, adding machines, billers, money changers, etc. Our pupils deal with each other and with elegantly equipped offices, using the minimum money. Our courses are fascinating and practical—pupils like them. The motto of the "D. B. C." Next term begins soon. For booklet, write

Farm Loans

It is our policy always to consider the interests of our borrowers—not only at the time a loan is made, but as long as it remains with us.

We are in position to do this because we are right on the ground and know conditions as they are each year.

For that reason many farmers prefer to deal with us rather than some broker who merely acts as agent for an eastern corporation with whom you will be required to deal afterwards.

If you want a loan on your land come in and see us, or if you cannot call, write and let us know where your land is and how much money you want to borrow.

I want to Clean Your Clothes

I want them because I KNOW that you will be better satisfied with the work. Having spent better than two weeks in Chicago studying the methods of French Dry Cleaning, and having purchased the most modern machinery known, I feel safe in saying that I am better prepared to do French Dry Cleaning than any house in the northwest. You couldn't get better service in Chicago. I not only remove all spots, stains and dirt, but I return your clothes without any odor of gasoline or cleansing fluids. Goods called for and delivered.
