W. of Tyrone township to the city. The supervisors will meet again on the 20th of July to work on three more petitions. The first one will be the laying out of 2 miles of road between the two townships, Tyrone and Athens, calling the Athens Board to meet Tyrone probably at Chas. Allerods. The second one is at E. O. Lucas' between Section 10 and 11, one half mile to lay out. The third one is at Roy Foster's, about three-fourths of a mile between sections 34 and 35.
