NEW ENTERPRISE
About the 10th or 12th of April there will be opened in Williston one of the most complete 5, 10, and 25c stores east of Fargo. This store will be in the Goldschlager building under the management of Hutchinson and Welling. This is the second store in this state to be opened by this firm during the past six months, the other store being located at Ambrose.

Mr. Hutchinson and Mr. Welling are both hustling and enterprising young men who came to this state last June from Lake Forest, Ill., where they had been attending college for the past three years. They at once got to work and started in opening up a line of 5, 10, and 25 cent stores about the state. Messrs Hutchinson, Foresman and Kenyon are now in Williston getting the building in shape for the opening. Mr. Foresman and Mr. Kenyon are both from Ambrose, and the Williston store will be under the management of Mr. Foresman, although Mr. Hutchinson expects to stay here for two or three months till things are running in good shape.

The store will be modern in every respect and will carry a very complete and up-to-date line of 5, 10, and 25 cent goods.
