SOME people pay 8 cents, 10 cents, 25 cents for a small cake of soap simply because it is called "toilet" soap.

Others pay 5 cents for a six-ounce cake of Ivory Soap because they know that better soap cannot be made.

Ivory Soap is pleasant to use. It does not harm the tenderest skin. It lathers freely. It rinses easily. It is made of the finest materials to be had. It floats.

Nosoap can do more no matter what its price.
