WILLISTON CHURCHES

M. E. CHURCH
Rev. E. Lewis Wall, D. D., Pastor
The Sunday School Board met on Monday evening in the church and unanimously elected Geo. F. Carpenter, Esq., superintendent of the Sunday school. As the superintendent elect has had experience along this line, he ought to be a valuable adjunct to the school.

Last Sunday was a highly interesting day with our church. The congregation was very large. We were pleased to see so many of our Congregational friends present. The Ladies Quartette sang beautifully. The Sunday school was also large. Mrs. Geo. F. Carpenter's "Teacher's Training Class" is constantly augmenting. Mr. and Mrs. Stewart who are visiting in our city are a great incentive both in the church and the Sunday School.

The pastor conducted funeral services over "Baby" Green—the infant daughter of Mr. and Mrs. Donald Green—621 4th Ave. West, Monday morning, July 20th.

Mr. and Mrs. Wall spent Sunday night out on the Phillips farm. They were hospitably domiciled.

Last Sunday a committee was appointed to plan for the annual Sunday School picnic. A report will be given this coming Sunday.

Preaching next Sunday morning at 10:30. The Ladies Quartette will sing a special number. The preacher will expostulate upon some vital topic. The Sunday School convenes at 11:30. The public is cordially invited to worship with us.

SUNDAY SCHOOL DAY SUNDAY
Next Sunday will be Sunday School Day at Gromatka's Grove. The people from Missouri Ridge, Spring Coulee, Garden Valley and Pleasant View together with the Congregational Sunday School of Williston will spend the day at the grove. Services will be held at 11:00 A. M. and at 2 P. M., under the Gospel Tent. The program will be furnished jointly by the different schools. From noon till two will be given to speaking and eating a basket dinner. Everybody is welcome to come and share in the exercises of the day. There will be an organ and plenty of good music. There will be no service or Sunday School at the church next Sunday.
Edwin S. Shaw, Pastor.
