Lyric Theatre

THE BONDAGE OF FEAR
SAT., FEB. 10

Each person's big problem in life must be solved by himself alone. This fact is demonstrated in a sensational and thrilling manner in the "The Bondage of Fear" which is coming to the Lyric theatre on Saturday, Feb. 10. Miss Ethel Clayton, the justly popular world star, is the particular person who is faced with a startling problem. For a time the problem seems impossible of solution and then she takes matters into her own hands and finds the solution in a way to make spectators forget to breathe while they are watching to see how she does it. Miss Clayton is supported by a more than excellent company which includes Rockliffe Fellows, Arthur Ashley and John Bowers.

THE WAR BRIDE, FEB. 15, 16
