IN GREAT ALARM

JACKSON CITIZENS FEAR BLOOD-SHED WHEN TROOPS ARE WITHDRAWN.

FEUDISTS WILL SEEK REVENGE

EVEN NEWSPAPER CORRESPONDENTS ARE BELIEVED TO BE IN DANGER.

MRS. EWEN ADVISED TO LEAVE

COMMANDER OF TROOPS FEARS SHE WILL BE ASSASSINATED.

Jackson, Ky., June 18.—Arguments in the case of Curtis Jett and Thomas White, on trial for the murder of J. B. Marcum, was not continued when court adjourned late last night and the case will not go to the jury until noon today.

A hung jury is expected because of the alleged attitude of two of the members. As the case draws to a close, alarm among citizens because of the probability of troops being withdrawn is manifest. The assassination of every person who has become exposed as antagonistic to the feudists is threatened. Arson may substitute assassination where the latter is for any reason not expedient.

Even newspaper correspondents are believed to be in danger. One of them last night received an anonymous letter signed by "A Feminine Admirer," in which he was told that

His Assassination had been ordered and warned him to get out of town before to-night.

Every one feels that a verdict or failure to return a verdict will precipitate a crisis, and there is apprehension that bloodshed is coming. Jackson people are not easily alarmed and they point to a series of crimes that have shocked civilization as defense against the suspicion that they may be hysterical in their dread for what they believe is to follow the removal of troops should the real culprits ever be reached. If the defendants should be found guilty it is predicted that the members of the jury and even the circuit judge would be in danger.

Maj. Emory Allen, who is now in command of the troops here during the absence of Col. Roger Williams, yesterday earnestly advised Mrs. B. L. Ewen

To Leave Jackson. She has taken an active part in accumulating evidence against the men who burned her husband's hotel and are directly connected with the powerful faction in Breathitt county. Maj. Allen expressed the belief that Mrs. Ewen's life was in danger, notwithstanding the fact that women and children have heretofore been spared by assassins in Jackson. Mrs. Ewen's bravery and courage have frequently been shown, especially during the recent trials through which she has passed, and it was but the expected when she replied: "I will stay here until our interests are properly protected and our contracts fulfilled. If they want to kill me they will find me here for at least a month."

RELIANCE IS CRIPPLED.

Topmast Snaps Off Just After Crossing Starting Line.

New York, June 19.—Two minutes after she had crossed the starting line for a thirty-mile race with the Columbia and Constitution over the Larchmont Yacht club's course in Long Island sound yesterday Reliance's topmast snapped off under the pressure of her big topsail and balloon jib top-sail and she withdrew from the race a cripple. Mr. Iselin, managing owner, said after the accident that the Reliance would sail her next race on Friday. The Constitution and Columbia continued the race and the Constitution outsailed the former cup defender by 9 minutes and 46 seconds, elapsed time, and won the cup offered by Commodore Adams of the Larchmont club.

King Edward telegraphed to Sir Thomas as follows: "As you are just about leaving for America let me wish you a prosperous journey and all possible good luck for the great race in August."

SEVEN BODIES FOUND.

Total Death List at Heppner Reaches Nearly 200.

Heppner, Or., June 19.—Seven bodies of 1000 victims were exhumed yesterday from a pile of debris. Of the seven one was a Chinaman and one a woman. Two hundred persons, many of them women and children, asked for permission to sleep on the floor of the Catholic church, the court house and the school house during the night. The officers granted permission. It is expected that nightly refuge will be sought for some time in the public buildings and churches, which stand well up on the hill. The people generally are under a spell and business has been abandoned. An official estimate shows 100 persons missing and probably lost. This is in addition to 130 bodies already recovered, making a total death list of over 200.

GOES TO PRISON.

Convicted Man Was Son-in-Law of Chief Justice Fuller.

Milwaukee, June 19.—Matt Aubrey, formerly son-in-law of Chief Justice Fuller, was sentenced to four years in the state prison by Judge Braze yesterday for forgery. The judge reviewed Aubrey's career, calling attention to the fact that two years ago he had been before the court charged with a similar offense, but escaped punishment on account of his family connections and because of the hope that he would lead a better life. Aubrey made a long, rambling plea for mercy, saying that although he had been connected with several deplorable affairs none had been committed while he was in his right mind. Aubrey formerly lived in Chicago. His wife procured a divorce several years ago and remarried.
