The Anniversary Sale is in celebration of 15 years of uninterrupted success in business at same place and stand—and commencing next Saturday it is in every way the Greatest Money Saving Sale of the entire year. It's a bargain period that will appeal to all shrewd shoppers of Minot and neighboring towns. Most of the items advertised are well known the public, and the prices quoted will be instantly recognized as very low, but equally good are the other bargains, which cannot be so clearly described on paper. Recollect that this store keeps faith with the people; that it deals in only reliable goods, and has by these principles built up the largest trade in this part of the country. WAS A HARD FOUGHT CASE
Seventeen Years In Business
McJannet, the furniture dealer, moved his large stock of goods from over J. M. Wilson's store last week and in now nicely located in the old J. C. Hoff building. His goods are shown off to much better advantage and the location is one of the best in the city. John is an old timer here. He has been in business in Minot for seventeen years and deserves the large trade he has. He is credited with having the very best line of furniture west of Grand Forks.
Dangerous Hunting.
Geo. Burke, the Surrey real-estate man, spent several days last week near Buford with a party from Rugby hunting deer. George had the satisfaction of bringing down a big buck, which was on exhibition in Minot Saturday. George says the brush is so thick near Buford that it makes hunting in a party extremely dangerous and he wouldn't go through the experience again for ten dollars a day.
Cooler Weather.
The weather suddenly changed Friday, the thermometer registering in some places fifteen degrees below zero. Business was brisk in the city, the coal dealers being on the jump. The weather was very pleasant with all and no one suffered. The coolness froze over Thursday, the small boys enjoying the sport of skating. The river started to freeze over Friday.
Excused Coal Company.
The inquest held over the remains of Chas. A. Robertson, who was killed in the Burlington mine Wednesday afternoon, resulted in a verdict excusing the company from being in any way the cause of the accident. The man's remains were shipped to Clinton, Ind., Thursday night after the inquest. The jury was composed of C. F. Truax, Chas. W. Wagon and J. F. Cooper.
The city jail at Fargo has been condemned.
Winnipeg was visited by a \$10,000 fire last Saturday.
