

Foxholm.

Wallis is on the sick list. He is putting up a large residence on the farm town. Mr. & Lambert have received a consignment of farm implements. The Rogers Lumber Co. have unloaded several car loads of lumber the last week. They now have a respectable looking yard. Henry Sanberg returned from Minnesota the other day where he has been spending a couple months among friends and relatives. Thos. Etter and A. E. Weatherwax of Tasker were among the notables in our burg last Friday. T. L. Simmons was a business caller at Minot Friday and Saturday. M. Manger and Alma Peterson attended the school entertainment given near Carpio Friday evening. Frank Kirkellie has rented his farm and will in the near future move to Donnybrook. Miss Katie Stahler has just returned from a few days visit with relatives at Donnybrook. E. A. Schultz of Donnybrook was down here on business last week. A large number of our citizens attended the auction sale at L. P. Weatherwax near Des Lacs on March 1st. Mr. Eirlson, a prominent business man of Carpio and Miss Peterson, principal of school No. 2, were down here Saturday evening. F. E. Hall is reported on the sick list. Mart Schafer has purchased three head of horses lately and will farm it on a large scale this summer. Edward Kirkellie a prominent farmer near Tasker, was visiting friends here last Sunday. John Strommen an old time resident of Mouse River has rented his fine farm to Wm. Buck, and in April will move with his family to Minot to reside permanently. It has been reported that Frank Baumgartner has sold his homestead located two miles east from here for \$25000 to an eastern party, and will remove to Canada where he has already filed on a claim. Ike Houser was called to Minot last week as a witness in a contest case. Cashman & Archibald have put up several tons of ice. Miss May Cashman of Sherwood arrived here Sunday, a guest of her brother J. B. and family. She will be a valuable addition to the social circles. Quite a surprise was sprung on Postmaster Larson Saturday night after closing up. Little did he suspect what was in store for him. On returning home he found the house in the possession of a crowd of about 25 of his neighbors who gently but firmly reminded him of the anniversary of his birth. The prominent features of amusement being cards and the popular selections of Mr. Grogan's large victrol phonograph with about seventy-five records. Refreshments were served at 12 o'clock and about 1 o'clock all departed for their respective homes considering the evening pleasantly spent.

Remember that Dr. Shoop's Cough Cure instead of opium or other narcotics, contains the extract of a certain California shrub which is no more harmful than a garden rose. Experience shows that it cures the cough, which opium never can do. For coughs and all bronchial or throat affections insist on having Dr. Shoop's Cough Cure. Sold by A. P. Stocuss.

Surrey.

Let us all pull together and keep Ward county farms and cities the most progressive in this state for 1906. Several of our friends attended the dance at Deering last Friday evening. No dances have been held here this winter because most of our people don't believe in dancing. Mr. McEoun and Mr. Allen shipped in a car of horses. Merchant Borg has boxes and boxes of eggs bought ready for shipment. Mr. Harry Hewitt and sister Emma visited their parents near Burlington a few days. Harry is working for D. M. Shorb.

FARMERS MEET TO ORGANIZE

Elevator Association—Permanent Organization Effected—Another Meeting Called for March 24.
A farmers meeting was held at the commercial club rooms at Minot, Friday March 9th, at 2 o'clock p. m., for the purpose of discussing the advisability of building a farmers elevator at Minot. After the meeting being called to order by Dr. Ekrem, J. S. Sneve was duly elected as President and M. M. Samuelson Secretary. After a few opening remarks by the President, the subject was left open for general discussion. Everyone demonstrated enthusiasm for the movement in his discussion of the question prior to the vote. Then it was moved and carried that the President appoint a committee of five to make the necessary preliminary arrangements for the completion of the organization to draft constitutions and by laws, also for selecting a site and report at the next meeting. The following committee was appointed: John Wallin, Bert Solberg, N. E. Sangstad, Henry Kurzog and Nels Thorson. It was moved and carried that the next meeting be held Saturday March 24 at 12 o'clock at the commercial club rooms in Minot. The following resolution was adopted by unanimous vote: We herewith express our heartfelt thanks to the commercial club for the use of their hall. —M. M. Samuelson, Secy.

Erecting a Large Building.

The Western Implement Co. are erecting a large two story building along the Soo right of way, just west of the old Optic building. I. G. Bender, from Minneapolis, one of the members of the company was in this city last week and concluded arrangements with the Soo. The building will be 50x100 feet and will be completed in thirty days. The Western Implement Co., under the management of H. D. Shepard has forged right to the front in the past four months and is figuring on much business this year. The company will put in a larger line of machinery than ever. The new building will be up-to-date, being provided with an elevator and other modern appliances.

Special Notice.

We, the undersigned blacksmiths of Minot, wish to notify our patrons that we have become members of the Mouse River Loop Smiths & Wheel Wrights Association of North Dakota. This association is for the protection of blacksmiths and wheelwrights. The main feature of the association is that nobody can do any blacksmith work done at one of the shops belonging to the association for cash or wise if their name is on the present list for labor past due. This has become a law and will effect April 1st, 1906. Signed, —D. A. Hall, —F. M. Haynes, —Sundby & Salling, —J. S. Hunt.
