

AT BANKRUPT PRICES

THE PALACE must convert its stock into cash at once to console the wholesalers, who refuse to wait longer for past due accounts. \$10,000 stock must be sold at any price. The condition of the times has placed us in an embarrassing position. We must raise \$5000 before Dec. 1 and, in order to do so, have cut the former prices of our ladies' and gents' merchandise almost in two. Many of the goods will be sold at less than the first cost. Seasonable goods will be sold at prices never before heard of at this time of the year. THE PALACE will not make any money from this sale, but we'll have to content ourselves with raising the money with which to pay our debts. We bought our immense fall and winter stock several months ago when the times were flourishing and the future looked the brightest. You all know the present money situation, people will not buy unless tempted to do so with low prices, and we have arranged our prices in a way that will appeal to your pocketbook. This is a bona fide sale, what we have just told you is the gospel truth, we could show you letter after letter from the wholesaler demanding their money. They have given us until the first of the month. Read the following prices, which is but partial of our offerings, and we know that you will be satisfied that our reductions are genuine. It will cost you nothing to look at the stock. Our goods are all new and fresh and, ordinarily, we would not sell them without a profit. You'll never get a better chance to make your money go a long ways. Bring in your family and get them fitted out for a mere trifle. Extra clerks have been provided and you will have no trouble in getting waited upon.

Back of Dolloff's Hall

It seems the editor of the Reporter has had another one of his periodical spasms. They seem to occur quite often. That harangue from any one but Sam Clark would be prima facie evidence of insanity and perhaps I ought not answer this till he shows signs of having a lucid interval.

In his description of places and comparisons, I might as well say that Washington had its Guitau, America had its Benedict Arnold, and Minot has its Sam Clark.

Not one-tenth of the things he alludes to, ever took place on my ground. This modern reformer seems to think that all of West Minot lies back of Dolloff's hall.

The hall was built eighteen months ago, and has been used for lodges, dances, political meetings, churches and social, roller rink and United States Army. Always in a decorous manner.

H. T. DOLLOFF.

"Blackie" Turned Loose

"Blackie", whose real name is Fred Sharping, was turned loose at Valley City, there being little evidence to connect him with the crime of killing Policeman Personious in that city a year ago. "Blackie" was arrested in Minot.

Twelve suspects have already been arrested, and it is believed that the real murderer will never be captured.

Full stock of phonographs and records at Blakey's New Music House.

WANTED—A n all around printer, job work a specialty. Sober. Good wages and steady work to right party.

John Burlington is Dead

John Burlington was born in St. Joseph, Mo., Sept. 20, 1877. Died in Minot, N. D., Nov. 16th, 1908. He leaves a wife, May Burlington and one daughter, Emma, age 10 years. Mr. Burlington was a member of the Reformed Later Day Saints, also member of Brotherhood of Railroad Train-men, employed by the Great Northern.

His headquarters were at Larimore, but the other night when he arrived in this city, he was taken very ill of dropsy, from which he soon died at the hospital.

Adam Blocker and family left

Monday night for Camden, Ind. where they will make their future home.

Amund Balerud has opened a coal office east of the United Lutheran church. He is handling the Kenmare coal, an unexcelled variety of lignite.

Dr. Taylor returned from south of Williston, where he hunted deer several days. The doctor secured two fine deer. Dr. Wheeler of Grand Forks shot four and Dr. Eylon, of Sheldon, got one. They say the deer are hard to get. At least three that were wounded got away.

J. M. Wilson, the clothing and shoe man, advertises a big sale this week. Mr. Wilson quotes no prices, but says he will sell his stock at cost. This means something, coming from a merchant of Mr. Wilson's stamp.

First Church Wedding

The first wedding in the new Presbyterian church was performed Tuesday afternoon, when Rev. Mr. Lawrence united in marriage Wm. Scott, a prominent Des Lacs farmer, and Miss Dollie Patterson. Quite a number of the friends of the popular couple accompanied them to this city to witness the ceremony. The couple will reside on the groom's farm west of Estevan, Can.

J. C. Smallwood, the grocer has decided to continue his grocery sale for one week longer, and prices will be found in this issue. Mr. Smallwood expects a car load of apples within a couple of days, when that fruit can be bought at his store for a song.

Surprise For Their Pastor

Rev. Alex Peterson, the new pastor of the Swedish Lutheran church, was surprised last week, at his home on West Park avenue. Fifty of the members of his church gathered to welcome their pastor and the evening was very pleasantly spent in a social way. The pastor was given a nice sum of money. Refreshments were served. The event closed with reading, praying and singing.

Rev. Alex Peterson, the new Swedish minister, will hold services, Sunday at 3 p. m., in the United Norwegian church. Everybody come.

Velva Bank Burns

The Merchants' State bank at Velva, one of the best buildings in that city, was burned. The second story was occupied by several lodges, there being no insurance on the paraphernalia. The building was partially insured.

Leaves With \$400

Mrs. J. Fetterly left Minot suddenly Saturday, and it is alleged that she took with her \$400 in currency belonging to her husband and to Jos. Roach. The woman was located at Linton, N. D., and she has been sent for. She took her little girl with her. The Fetterley's formerly conducted the Globe Hotel.

Married

At the home of Mr. and Mrs. Merrill D. Sage, near Sawyer, Mr. Frank H. Arthur of Clark county South Dakota, was united in marriage to Miss Bessie Sage of Sawyer on the 14th of Nov. 1907. Rev. Wm. C. Hunter officiating.

LOST—A brown and white pointer dog about one year old. Last seen following a single buggy with bay horse and driven by a well dressed man and woman, about 15 miles southwest of Minot on the Taugedahl trail.
