## Diarrhoea, Colic and Cholera Morbus

Are diseases that require prompt attention.

In almost every neighborhood some one has died from these diseases before medicine could be procured or a physician summoned.

Those who rely upon physicians often find that they are away from home when most needed.

Every family, and especially those who reside on farms and ranches, miles from any drug store or physician should keep at hand a bottle of

**Chamberlain's Colic, Cholera and Diarrhoea Remedy.**

No physician can prescribe a better medicine for the purposes for which it is intended.

The remarkable cures effected by this remedy, in all parts of the country, have made it the acknowledged standard.

It can always be depended upon to effect a quick cure, and when reduced with water is pleasant to take. It is equally valuable for children and adults.
