

STOP, LOOK AND LISTEN

For the convenience of our customers and friends we herewith publish a complete list of the famous Rexall Remedies. There is one for every human ill and if you'll save this list you'll find it will save you many a dollar in the course of a year. We are part owners in the United Drug Co. We know what's in each and every remedy that we have for sale in the Rexall line. We know positively that the Rexall Remedies are the best on earth. It would be business suicide for us to sell them and fully guarantee each and every one of them if we didn't know that they would give satisfaction. We sell every Rexall Remedy under a positive guarantee to give satisfaction or we will refund your money as cheerfully as we received it. Rexall Remedies are only found in the good drug stores. We are sole agents for Minot same as is Voegeli in Minneapolis, Spiegel in Milwaukee, Public Drug Co., Chicago, Wolf-Wilson, St. Louis, etc.

Rexall Remedies are made by the largest co-operative concern in America. The total retail sales in America of Rexall Remedies is over \$4,000,000. This great volume of medicine business is done simply on the merits of the medicines and the fact that you get a better remedy for less money. The immense purchasing power of the Rexall Company enables them to give larger quantities of each remedy for the same money than you get in any of the other lines.

Buy Rexall Remedies and you'll always get your money's worth or you'll get your money back. You get our guarantee with EVERY package.
