## Wear a Chamois Vest and Keep Well All Winter

It is a scientific and well known fact of hygiene that an impervious covering like Chamois which excludes all cold wind, cold air and dampness, and maintains an even temperature all the time, thus preventing any sudden chilling of the surface of the body, will prevent those exposures which cause colds and coughs. Your health is worth the price of a chamois vest, isn't it? We leave it to you.

**The Normal Heat of the Body**  
is 98.4° F. Retain this normal or natural heat and there will be little danger of pneumonia, coughs, colds, catarrh of chest and lung trouble. Keep warm and comfortable on the coldest days, without cumbersome clothing, by wearing a perfect fitting tailor-made Frost King or Frost Queen Chamois Vest.  
These garments are made to keep out the cold damp winds, and retain the natural heat of the body. They protect the chest, back and throat. Perfect fitting—comfortable and helpful. Will last several seasons. Price, \$3.00 each.

The Paul V. McCoy Drug Co. Give Facts Regarding Dyspepsia.

Although indigestion and dyspepsia are so prevalent, most people do not thoroughly understand their cause and cure. There is no reason why people should not eat anything they desire—if they will only chew it carefully and thoroughly. Many actually starve themselves into sickness through fear of eating every good-looking, good-smelling and good tasting food, because it does not agree with them.

Dieting cannot cure dyspepsia. If we refuse every article of food that disagrees with us, before long we have nothing left, and find ourselves chronic dyspeptics.

We can cure dyspepsia. We are so confident of this fact that we guarantee a cure, and promise to supply the medicine free of all cost to everyone who will use it, who is

not perfectly satisfied with the results which it produces. We exact no promises, and put one under any obligation whatever. Surely, nothing could be fairer. We are located right here in Minot, and our reputation should be sufficient assurance of the genuineness of our offer.

We want every one in Minot who is troubled with indigestion or dyspepsia in any form to come to our store and get a box of Rexall Dyspepsia Tablets. Take them home and give them a reasonable trial, according to directions. They are very pleasant to take; they soothe the irritable stomach, strengthen and invigorate the digestive organs, promote a healthy and natural bowel action, immediately relieve nausea and all stomach irritation, produce perfect and healthy digestion, and assimilation, and promote nutrition.

A 25c package of Rexall Dyspepsia Tablets furnishes 15 days treatment. In ordinary cases, this is sufficient to produce a cure. In more

chronic cases, a longer treatment of course, is necessary, and depends upon the severity of the trouble. For such cases, we have two larger sizes which sell for 45c and 89c. Paul V. McCoy & Co. Minot, N. D.

Gilhooley Irish Liniment Co.,  
St. Paul, Minn.

Gentlemen: I take the pleasure in telling you of what your wonderful Irish Liniment has done for me. During the past ten years I have twice been down with inflammatory rheumatism. During that time I spent about one year on crutches. The Rheumatism left me with a stiff and swollen ankle and for the past few years I have been unable to be on my feet much without getting so lame I could not walk. About three weeks ago I bought a bottle of Irish Liniment and have made two applications of it each day since. The result is, that today I have the full use of my ankle and can be on my

feet all day without any lameness.

During the past ten years I have taken every rheumatism medicine that I heard of but with no satisfactory results. I cannot thank you enough for what Irish Liniment has done for me. If this letter is of any use to you, you may use it, and I will cheerfully reply to any letter of inquiry sent to me.

Yours truly,

## PLEASE NOTE

faces, and they come again and again, for they have found the grocery store that charges the right prices and gives the right goods all of the time. Now, why can we give such low prices on such good goods? In the first place, we conduct a cash grocery store, and carry very few accounts on our books. We don't get "stung" with dead beats, and then "soak" the honest fellow who's willing to pay cash. We treat our customers all alike and find that it pays. A small child can buy as cheaply at this store as a grown person.

Farmers like the Unique because they always get the top notch prices for their butter, eggs and other products. We are prepared to stock up you farmers with groceries for winter at the right price. Make out a list of the things you need, or come in and we will help you make a selection, and then let us give you figures. You'll be pleased with our way of doing business.
