Rexall SKEETER SKOOT

Is a peculiar preparation. You can rub it on any part of the body and it doesn't even irritate. Besides this it has a rather agreeable odor and not objectionable in any way to either those who use it or those around them, but

Mosquitos, Gnats, Black Flies and Punkies

Not one will remain where there is even a trace of it in the air.

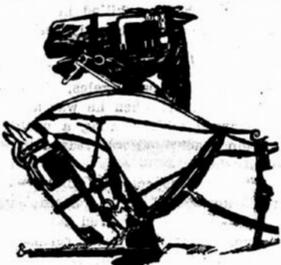

Use some Rexall Skeeter Skoot on your next fishing trip. Saturate a piece of cloth with Skeeter Skoot and leave it about your sleeping apartments in the camp or on the banks of lakes and you will be positively free of those troublesome pests. Good to rub on horses, dogs and pet-tees. Put up in bottles convenient to carry anywhere. 25c.

AN APPARENTLY POORLY MATCHED TEAM

May Really be a Splendid One.

It makes a great difference whether you have the right harness or not. Our double harness is not two separate sets put together. It is made especially and so sets perfectly on matched horses.

Stop in and have us point you out a few things about it.

Ran Away With Youthful Lover

Mrs. James Wood of Cogswell Arrested in Wisconsin and is Now in Jail—Youth was too Foxy to be Caught

Mr. and Mrs. James Wood lived on a farm near Cogswell for many years and have two children. On April 15 Mrs. Wood disappeared and at about the same time her brother-in-law also went away. It was learned shortly afterwards that the two had eloped and warrants were at once issued for their arrest. A settlement of Mrs. Wood's case is probable.

Cogswell, N. D., June 24.—Mrs. James Wood, who ran away from her home here on April 15 with her brother-in-law, who was 22 years of age, is in the Sargent county jail, having been captured in Wisconsin and returned to this state by the authorities. Her youthful lover was successful in eluding the Wisconsin officials.
