We want to meet you, and our bank is for you to make it your bank, and you will find that at all times we will do business with you to your entire satisfaction.

Protect your home by taking Fire and Tornado Insurance in it. DO IT NOW. Because a Tornado or a Fire Insurance Policy is a mighty good thing to have when the clouds look black. Call and see us for same as we have the best companies in the country.

For farm loans, come and see us as our rates are lower on farm loans than ever was given in Ward County. Don't forget to get our terms on FARM LOANS.

We want you to open up a check account with us which will furnish you with an accurate record of all amounts spent. It gives you a grip on expenditures because you can tell what was bought, when you got it, and from whom. This method will put you ahead.

In short, we will ask for your business and, in return, we shall at all times give you the best possible service.

Yours truly,

JOHN H. WERNER,
Cashier
