We are in position to renew your loan at a lower rate of interest than you're now paying

**YOU NEED NOT** wait until it is DUE to see us, as we can have everything fixed up the first time you are in the city, so that the old loan will be taken up promptly and satisfied, and the new one immediately go into effect. Your old loan probably draws interest at 12% after due and may be foreclosed if not paid promptly. Avoid both contingencies and see us early. Save money. Save trouble.

Should you desire, your old loan can be increased to any amount consistent with good business policy.

We also desire to get the prices and terms on all land for sale in Ward County.
