

# FROM FAR AND NEAR

The people are flocking to the GREAT MAY SALE at the BRANCH. Every day you'll find shoppers from nearly every town in this part of the State and the result is that the sale is greater than the fondest expectations of the management

But—the store is crowded and, until the stock is sufficiently reduced, we will continue to give the exceedingly low prices on the best high quality merchandise.

We are heavily loaded and must unload. This is no fake sale—no bankrupt sale—but a bona fide stock-reducing sale, put on while the merchandise is right in the height of fashion.

Our goods are brand new and right up-to-the-minute.
