4th of JULY

AND

Summer Sale!

Starting Saturday morning, June 18th, and ending Saturday night, July 2nd

Here is your opportunity to get a nice bunch of spending money **FREE** and buy the highest grade and most famous lines of goods manufactured at the lowest prices ever offered by any house in the Dakotas. Our buyer, just returning from the East, has picked up some of the niftiest merchandise you ever saw. He selected the whole

line personally, and, believe us, it consists of the very latest wrinkles now being specialized by the swell haberdashers of all the leading cities of the east. When you want to buy---buy new and up-to-the-minute wear---and not shelf-worn and shoddy goods. During our mammoth sale you can purchase the most noted brands for lower prices than you could get "back number" stuff elsewhere. Just take a glance over the following prices and then come in and look at the goods:
