Use Paint Now

Do you know that the fall season is about the best time to paint your buildings? Well, it's a fact; because you save many dollars by the addition of a coat or two of paint as protection from the winter snows and winds.

SHERWIN-WILLIAMS PAINTS

are the best on the market, altho a little higher than some. You'll find it cheaper in the long run to use them.

Per gallon \$2.50

Let our paint man figure with you

A \$6.00 Leather Suit Case \$3.95

Just think of that! A genuine all leather suit case, only \$3.95. We have already sold a large number of them and every one that has seen them says they are the best value seen yet for the money. You've got to see them to really appreciate what good values you are getting.

We also have the largest line of trunks in town. Prices anywhere from

\$5.00 to \$35.00

Knives

A good Pocket Knife is what every person wants. But they are hard to get. The kind that McCoy has, however, are good. Knives with two good blades and a solid bone handle only 50c.

Other knives from 75c to \$2.00. These are the heavier kind.

Then we have an excellent assortment of high grade Pearl Handle Knives, made by West Bros., the largest cutlery house in the world. Prices range from \$1.25 up to \$4.00. Let us show them to you.

Alcohol Stoves

Always handy, but particularly so in the fall or winter season. When hunting, it is easily utilized for heating water, etc., quickly. In the home for hot water, for light lunch and also for the man when he shaves. It only takes a second to start one and in 2 or 3 minutes you have all the hot water you need for a comfortable shave.

Alcohol stove with boiler, detachable stand only...95c
Alcohol stove only.....60c

Pickled

Peaches
Pears
Plums

Preserves too. You want spices, of course. Turmeric for coloring. Paraffine for sealing. Mustard seed, the cider preservative. We sell all these things of the best grade obtainable. Now, at pickling time, let us supply you with what you need.

Kodaks

Can we impress upon you too strongly that the fall and winter season is really the time when you can get your best views, both scenic and portraiture? Many people seem to think that a Kodak can only be used in the summer time. But this is not so. Think of the hunting scenes, views of the fields, of the trees just turning color and also thrilling views and many other things that are particularly endearing to you, only in the fall season. We can sell you a Kodak for \$8.00, and if you want one with better lens and other appliances, you can get it here anywhere from

\$8.00 to \$65.00

We have everything you need in supplies, films, paper, mounts, developers, graduates, trays, printing frames, lanterns, tripods—in fact, anything you want.

Edison Phonographs

One dollar down and one dollar a week. You know it by this time. We include a dozen 4-minute records in this plan, too. So you see, it is possible to get a Phonograph complete and 12 4-minute records, with only an initial expenditure of one dollar down. The balance to be paid weekly or monthly as you choose.

We have every record in the Edison catalogue and always keeping our stock up, thus enabling you to get any selection you want without any delay.
