

The picture here presented is. that of Nancy, a bandsome mare belong
Ing to the Minneseta Experinent station, having been purchased at the J
J. Hill farm. She fairly illustrates a desirable type of qnimal for a farm-
 not enough to tempt him to a loss of money at the race-course; a sloping
pastern, giving a spring stel, and a good foot These are the main poins
to be considered in the choice of a driving animal tor tarm use point
phich merrely please the eye may well be subordinated to these
points

ety funds. Apply The Scarlett of-
fice Supply Co.. Waverly block, M1-
not.

 in each individual case. All that is
usked in return for these valuable ser-
vices is that every person treated
will state the results to their friends and thus prove to the sick and afflict-
ed in every city and locality that at
tast treatments have been discovered

that are absolutely sure and certain | in their curative effects. |
| :--- |
| The experienee of treating thou- |
| sands of cases makes a physiclan able | - to cure diseases quicker than the ordt chronic diseases that w.ue ordinar-

physician can do nothing for. The
physician of expertienced suceess has

his remedies at hand, those that are | tested and tried, and those he knows |
| :--- |
| he does not have to expertment with |
| and knows that cure follows their | follows day.

Few people realize the advantages of
doctoring with special doctors. Not dociors that cure everything, but doc-
turs that know how o cure the disease
that they pretend to cure. An associa.
tion of doctors where eacia and every tion of doctors where eacia and eve
one's opinion is centered on the dis
case of an individual character is be
ter than opinion on the disease.
