ASHAMED OF HER FACE

"I was ashamed of my face," writes Miss Pickard of North Carolina. "It was all full of pimples and scars, but after using D. D. D. Prescription for Eczema I can say that now there is no sign of that Eczema and that was three years ago."
This is but one of thousands of cases in which D. D. D. has simply washed away the skin trouble. D. D. D. cleanses the skin of the germs of Eczema, Psoriasis and other serious skin diseases; stops the itch instantly, and when used with D. D. D. soap the cures seem to be permanent. Nothing like D. D. D. for the complexion.
Trial bottle, 25 cents, enough to prove the merit of this wonderful remedy.
We can also give you a full size bottle for \$1.00 on our absolute guarantee that if this very first bottle fails to give you relief it will cost you nothing.

CAUSE FOR ALARM.

Loss of Appetite or Distress After Eating a Symptom That Should Not Be Disregarded.

Appetite is just a natural desire for food. Loss of appetite or stomach distress after eating indicate indigestion or dyspepsia. Over-eating is a habit very dangerous to a person's good general health.

It is not what you eat but what you digest and assimilate that does you good. Some of the strongest, heaviest, and healthiest persons are moderate eaters.

There is nothing that will cause more trouble than a disordered stomach, and many people daily contract serious maladies simply through disregard or abuse of the stomach.

We urge all in Minot who suffer from any stomach derangement, indigestion, or dyspepsia, whether acute or chronic, to try Rexall Dyspepsia Tablets, with the distinct understanding that we will refund their money without question or formality, if after reasonable use of this medicine, they are not perfectly satisfied with the results. We recommend them to our customers every day, and have yet to hear of any one who has not been benefited by them. We honestly believe them to be without equal. They give very prompt relief, aiding to neutralize the gastric juices, strengthen the digestive organs, to regulate the bowels, and thus to promote perfect nutrition, and eradicate all unhealthy symptoms.

We urge you to try a 25c box of Rexall Dyspepsia Tablets, which gives 15 days' treatment. At the end of that time, your money will be returned to you if you are not satisfied. Of course, in chronic cases length of treatment varies. For such cases, we have two larger sizes, which sell for 50c and 1.00. Remember, you can obtain Rexall Remedies in this community only at our store—The Rexall Store. McCoy & Co.

NO MONEY IN POLITICS.

Fred Andrews of Bowbells, state's attorney from Burke county, was in the city Friday. Mr. Andrews says he will not be a candidate for reelection nor will he go after any other office. He says the office has been paying but \$168 a month. In one case where the attorney for the defense was given a fee of a thousand dollars, Mr. Andrews, who prosecuted the case, received as salary less than \$5, too great a difference, he considers.

J. J. Beeghly, who owns a farm 8 miles northeast of the city, returned from a visit to his Cando farm this week. Mr. Beeghly, it will be remembered is the owner of the colt that weighed 675 pounds at the age of six months.

A. H. Thomas conducted a farm sale for I. T. Zook Tuesday that amounted to \$2140. One horse sold for \$340 and old cows brot from \$38 to \$40.

The above reasons explain themselves. We do business upon our merit. We have pleased the public for years and intend to continue pleasing it.

If you want good, reliable **HARDWARE** at reasonable prices, buy it of **E. C. FRITZ & CO.** MINOT, N. D.
