WHOLESALE PRICE, OR LESS

No merchant can ordinarily sell at wholesale, but in this case we must.

Our location is bad. This store is located on East First Street next door to Jacobson & Fugelso's hardware store. Look for the Big Sign.

Come and buy of us. Your dollar will get a lot of goods. Our expenses are small. We thought some of employing a sales specialist, but considering the extra expense, could not afford it. We know enough to mark our goods at cost anyway, and give you the benefit. See?

Read every item for it's money in your pocket to buy here. Remember, a dollar saved is a dollar earned.
