Pre-Nuptial Announcement.

GLENBURN SOCIETY PASSES RESOLUTIONS

A. S. OF E. LOCAL UPHOLDS LOFTUS AS CHAMPION OF THE COMMON PEOPLE AND CONDEMNNS ACTION OF THE FARGO CHIEF OF POLICE.

Resolutions of the Glenburn, N. D., local, American Society of Equity:

Whereas, the allied monetary interests of middlemen are making a concerted attack on the Farmers' Co-operative movements wherever they assume sufficient importance to prove a menace to said interests, and whereas in response to the teachings of our society and our repeated requests, and resolutions adopted at local, county, and state meetings, our membership subscribed for stock in the Equity Co-operative Exchange and in the first combined effort to get free from the extortionate methods of the Duluth board of trade and the Minneapolis chamber of commerce, and whereas, members of the Glenburn Local Union No. 4998 hold one thousand dollars worth of stock in the Equity Co-operative Exchange and thoroughly know that the real fight is against the co-operative selling movement and only incidentally against the present officers and manager, because they have proven faithful to the interests who elected them, and

Whereas, we believe that the fight against any Farmers' Co-operative grain selling agency and the North Dakota terminal elevator amendment has just begun, and

Whereas, we have carefully read accounts in South Dakota, Minnesota and North Dakota and Tri-State Grain Growers Convention at Fargo, in which various attacks were made on the Co-operative Exchange as reported in the Fargo Forum, Co-operative Journal, National Grain Grower, Co-operative Herald and other papers, therefore,

Be It Resolved, that we wholly indorse the Equity Co-operative Exchange as the lawful incorporated company to carry out our principles of co-operative marketing of farm products; and hereby express our greatest confidence in the honor, integrity and business ability of the present officers of the Exchange and congratulate the board of directors in being able to secure the services of that able business manager, Geo. S. Loftus, champion of the common people.

Resolved, that we commend the action taken by J. M. Anderson, our North Dakota state secretary, in regard to the unlawful breaking up of the Tri-State Grain Growers convention at Fargo, Jan. 23, 1914, and condemn all the Chamber of Commerce emissaries, including the Fargo chief of police, in their disgraceful attempt to break up the meeting and interfere with the Equity program; and

Resolved, that if the Fargo Forum correctly represents the citizens of that place we hereafter hold farmers' meetings in cities more in sympathy with our lives and purposes, and

Resolved, that we indorse the resolutions passed by our state delegates at New Rockford, N. D., Feb. 25 and 26, 1914, and

Resolved, that we indorse the Manhattan resolution for the investigation of the great market exchange just passed by congress, and demand that it be thorough and impartial in every way.

Resolved, that we advise the adoption of the amendment to the North Dakota Constitution relating to a state terminal elevator and urge every farmer and farmers' friend to work and vote for its adoption, and

Resolved, that since the Department of Agriculture, State Agricultural Colleges and Better Farming Associations are also strenuously working to increase the production of farm lands without any adequate attempt to cheapen the enormous cost of distributing such products to the consumer, we believe that the only relief for the producer is the uniting of all local farmers' clubs and individual farmers in the American Society of Equity, and we recommend a more vigorous campaign for members than ever before, and be it further

Resolved, that a copy of these resolutions be sent to the Co-operative Herald, the National Grain Grower, Fargo Forum, Ward County Independent, Glenburn Advance, The Iconoclast and the Minneapolis Daily News with the request for publication.

FAKES OFF DANDRUFF, HAIR STOPS FALLING

Save your Hair! Get a 25 cent bottle of Danderine right now—Also stops itching scalp.

Thin, brittle, colorless and scraggy hair is mute evidence of a neglected scalp; of dandruff—that awful scourge. There is nothing so destructive to the hair as dandruff. It robs the hair of its lustre, its strength and its very life; eventually producing a feverishness and itching of the scalp, which if not remedied causes the hair roots to shrink, loosen and die—then the hair falls out fast. A little Danderine tonight—now—any time—will surely save your hair.

Get a 25 cent bottle of Knowlton's Danderine from any drug store. You surely can have beautiful hair and lots of it if you will just try a little Danderine. Save your hair! Try it!
