The little gophers show by their unwillingness to eat Woodlark that they have spent a happy winter and expect to find better food soon.
The North Maryland Farmers' club met at the home of J. Rearick. A good and interesting program was rendered by the club which opened with the use of the song, "America," a number of recitations were rendered by the children, a debate on the question, "Resolved, that the woman should have the right to vote," was well discussed but on account of the cold weather the first speaker on the negative side was unable to be present, consequently they were the losers, but they are not discouraged and intend to help in the next entertainment if a debate is to be rendered. Mrs. G. L. Sise gave a splendid piano solo which was enjoyed by all. The program closed with the song, "God Be With You." The visitors from Surrey and Nedrose clubs were welcomed; North Maryland hopes she made it a pleasant day for them and cordially invites them to attend, if possible, their next meeting, which is to be held at the home of Mr. A. The price of potatoes and onions is coming up. If you don't believe it ask Isaac, he seems to know something about it.
Mr. Clarence Pfeiffer is very downcast to think the girl forgot to put her name in the basket he bought at the social, because he had driven his new buggy that evening and especially because he had driven Mage, the best horse in the barn.

The happy farmer boys have received their registered hogs. Good luck, boys, don't be discouraged, although money comes in rather slow.

GIVE "SYRUP OF FIGS" TO CONSTIPATED CHILD
Delicious "Fruit Laxative" can't harm tender little stomach, liver and bowels.
Look at the tongue, mother! If coated, your little one's stomach, liver and bowels need cleansing at once. When peevish, cross, listless, doesn't sleep, eat or act naturally, or is feverish, stomach sour, breath bad; has sore throat, diarrhoea, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul, constipated waste, undigested food and sour bile gently moves out of its little bowels without griping, and you have a well, playful child again. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which contains full directions for babies, children of all ages and for grown-ups.

Bargains in Seeding Tools

I am prepared to offer the farmers some special prices in the Fred V. Dale Implement stock which I have bought. It won't hurt to drop in and have a look and undoubtedly I can prove it worth your while

<p>FANNING MILLS A few extra good bargains left in mills especially adapted for cleaning seed as well as a fast market cleaner. The grain separating device is a great improvement over the old Hero mill.</p>	<p>SMUT MILLS that do perfect work; made of galvanized steel that will never wear out. A look at the smut mill will convince you that it's the best yet made.</p>	<p>MONITOR DRILLS Have quite a large stock on hand. The Monitor is absolutely the only drill that deposits the grain in the bottom of the furrow; it drops seed ahead of the center of the disc. This means a great saving in seed as well as insuring a crop.</p>
