## GUARANTEED OPTICAL WORK

IT DON'T PAY to patronize traveling opticians for the following reasons:

THEY CHARGE HIGHER PRICES than we do, and should your glasses require a change you have to wait six months or even a year before the "traveler" returns.

This store offers you the best optical service it is able to get in western North Dakota. Our optical work is done by the proprietor himself, who is a registered graduate optician of ample experience.

When you have your eyes tested by our Mr. Winters you get the benefit of his expert knowledge, and it don't cost you more than about one-half as much as the "fly-by-night" optician would charge you. If any adjustment should become necessary, you know where we can be found, and you also know that we are a reliable concern.

We do all kinds of optical work, such as testing the eyes for glasses, replacing broken lenses and frames and we do all kinds of frame repairing too.

### We are G. N. Inspectors

If your watch needs repairing bring it to us. We are watch inspectors for the G. N. Ry. at this point, which is evidence of our high class service in this department. When you have your watch repaired by us you can feel certain that it will keep correct time.

Our prices are always reasonable for first class guaranteed work and we solicit your patronage.

### Local and Personal

Dr. Sarchet will build a good-sized hospital at New England.

Many are making gardens this week, planting sweet peas and other flowers.

Twin sons were born to Mr. and Mrs. Knute Lunden at St. Joseph's hospital Sunday.

The publishers of the state will soon receive copy for the annual grist of insurance statements.

Arrangements are being made to purchase a large pipe organ for the Presbyterian church.

Excavation was started this week for a palatial residence that Geo. A. McGee is building on the south hill.

J. M. Smith, foreman of the Donnybrook Courier, came down Tuesday to gaze at the sky-scrapers and other things.

James Johnson went to Fargo Monday afternoon to attend a meeting of the Grand Masonic Lodge of North Dakota.

Jack Callahan of Donnybrook is having fine success with his hogs. He now has a hundred young pigs that are doing nicely.

Pres. A. G. Crane and Secretary Devine left for Mayville Tuesday where they are attending the meeting of the state Normal board.

Mrs. R. W. Duvall is at Battle Creek, Mich., where she is receiving treatment. It is possible that she will have to submit to an operation for gall stones.

We hardly expect to see Editor Parrott publish this week's edition of the Donnybrook Courier. He is the excited father of a dandy fine baby boy born Monday and his nerves are a trifle unsteady.

H. A. Catherman found a mammoth hen's egg in his poultry house Sunday that is 7 5-8 inches long and 6 1-2 inches around its equator. It weighs 3 ounces and would make some ostrich eggs look small.

Mrs. M. A. Hedine, charged with grand larceny, was bound over to the district court this morning under \$500. Judge Burke released her until such time as her attorney, Mr. Doherty, could secure bonds for her.

The publishers have received from the county auditor schedule for printing, which is to be divided equally among the print shops of the county. There are several newspaper offices that have never done any job printing for the county. All pay taxes and it is only fair that the work be proportioned equally.

J. D. Eaton, of Williston, who represents the Emerson-Brantingham Co., visited Minot Tuesday. Mr. Eaton was engaged in the newspaper business for twelve years, publishing the Dunseith Herald in the days when his paper carried more than a page of final profs. Mr. Eaton spent considerable time with the Indians in the early days and can speak their language fluently.

Herman Gerden, formerly of Gordon Bros., now of the Plymouth Clothing House, cordially invites his old friends to call. Opera House Block.

D. 1914, at two o'clock P. M., of that day, then and there to show cause, if any there be, why the right of succession to the following described real estate of said deceased, to-wit: Lot Four (4) Block Twenty-Three (23) Lakeview Addition to the City of Minot, subdivisions of Blocks Twenty-three (23) and Twenty-five (25), should not be determined, and the title thereto vested in the heirs and assigns of decedent, as prayed for in said petition, absolutely and free and clear of all debts.

## ASK YOUR NEIGHBOR HE KNOWS.

Fred J. Willman, who was connected with the Plant Rubber Co. for eight years, is back on the road for that concern. Mr. Willman's work lasts eight months and he has one of the best positions with that concern, besides that he's regarded as one of the banner salesmen.

We owe H. H. Hovda an apology for an error made in his advertisement last week. The printer made Mr. Hovda claim to be the greatest eye specialist in the world, whereas what he actually did say was that his system was that practiced by the greatest eye specialists in the world.

L. A. Trudell returned Sunday from Plentywood, Mont., where he has been looking after his farm, the homestead left by his brother, Peter, who died in 1907. Mr. Trudell will soon receive patent to the land. He reports that seeding is well under way in Montana and that the rain last week extended west only as far as Stanley.

"Kernel" Brewer on the Mount.  
"Kernel" Brewer of Fargo, secretary of the game board, visited Minot Saturday, accompanying members of the board here for an important meeting. The Independent acknowledges a pleasant half hour's visit with the genial Brewer, who was in a reminiscent mood. He told us that he had just taken a walk up on the south hill where he got a magnificent view of our city. This reminded him that it had been just 21 years since he was on the hill last. That was during a visit to Minot when Colonel Plummer

was receiver of the landoffice and T. E. Olsgard was register. In those days Minot was but a small village and Mr. Brewer could hardly conceive the transformation that had taken place.

Action of School Board Upheld.  
At a meeting of quite a number of the representative citizens held at the rooms of the Association of Commerce Monday evening, a vote of confidence was extended to the school board concerning the action they have taken in letting the contract for the new eight room building.

C. B. Davis was chairman of the meeting. Talks were given by Col. Scarlett, J. L. Skrivseth and others, upholding the school board. It was shown conclusively that the new building is needed.

Concerning the Band Re-Organization.  
A number of Minot's musicians met at the Association rooms Monday evening and talked over the proposition of re-organizing the Metropolitan band. Cap. Aaker was selected to go with a committee from the Association before the city commission to ascertain what assistance could be given by the city in case of the re-organization. If B. W. Halsey, who is now located at Great Falls, Mont., could be induced to return and lead the band, it is certain to be a success, providing it receives the proper financial backing. The musicians feel that they cannot afford to give their time without the proper remuneration. Minot needs a band.

# SMALLWOOD'S SANITARY GROCERY

I understand that Sears, Roebuck & Co., has got 3 carloads of catalogues in Fargo to be sent out all over our state. Now, let us be fair to one another. When you receive one of those catalogs go through it and make a list of that bill of goods you are wanting for spring. Set down your price, add freight and then bring a copy of the same order to me. And if I can not compete with it then send your order in to

the mail order house. But if you will give me a chance to figure I will guarantee you will never send away your money. The mail order house don't buy your produce. The mail order house don't build up your town. A good town or city is very essential to you farmers. A good town or city is always a good market place for your produce. The catalogue house don't keep you in time of sickness or

distress; they won't trust you for a dollar's worth of goods when the wife and babies are sick and you need help. They are a cold-blooded proposition; they want the Cash spelled with a big C. Those are only some things to be considered by you. Be loyal to your Home Merchant; give your Home Merchant a chance to figure. You will find out in the end it will pay you big.
