MARTIN J. ENGESETH.
The Independent is pleased to present to our readers this week, the announcement of Martin J. Engeseth, the Republican nominee for Register of Deeds of Ward county, who is a candidate for the November election. Mr. Engeseth is certain to be elected by a large majority and his many friends predict that he will conduct the office with credit. Mr. Engeseth has the qualifications for the office, which, coupled with his capacity for hard work, makes him an ideal man for the place. The taxpayers of the county are indeed fortunate in having an opportunity to get such good timber for a county office.

DORR GARROLL FOR ATTORNEY GENERAL

Ward county's candidate for Attorney General is Dorrr Garroll of Minot, a candidate on the Progressive ticket. He is a man who is well known to all of the people of the county, having been here since the big immigration of 1901.

He has been successful as an attorney, is trusted by his friends and clients and is well known to be active in enforcement of the law.

The people of Ward county are asked to support him, in this election, for the reason that, of all the candidates

G. S. WOOLLEDGE
FOR
STATE'S ATTORNEY.
My platform provides for law enforcement. Will reduce expenses: How? No assistant State's Attorney. No special prosecutors. No private practice at County's expense. Why not adopt this plan now?
Read my platform in another column of this paper.
—Pol. advt.

G. S. WOOLLEDGE,
For State's Attorney.
G. S. Woolledge, Democratic candidate for State's Attorney, has been engaged in the active practice of law in this judicial district for the past nine years. He is one of the best lawyers in Northwestern North Dakota. Mr. Woolledge was a candidate for County Judge in 1910 and was defeated by Judge Davis by a bare hundred votes. He is a graduate of the University of Wisconsin; is thirty-four years of age; is married; lives in Minot and formerly lived in Kenmare. Mr. Woolledge has always been independent and progressive in politics, and his plan of conducting the office of state's attorney means a large saving to the taxpayers. Read his platform and then investigate the facts he has stated. Mr. Woolledge's platform is as follows:

"To the voters of Ward county: I am a candidate for state's attorney. If you will make an honest and fair investigation of the work of this office, you will agree with me that the office of state's attorney can be efficiently conducted on the plan here stated. If elected I shall carry out every promise and statement herein made, namely:

"I shall impartially enforce all laws. I shall save the taxpayers a lot of unnecessary expense which should have been stopped long before this, some of which is as follows:

"The county should not furnish special prosecutors. If the state's attorney is incompetent, and needs assistance, he should pay the special prosecutor out of his own salary, because the county has paid him to handle all county business.

Furthermore, the duties of state's attorney of Ward county have decreased at least one-half during the past few years, owing to the county division and the fact that the county is no longer a new settlement. A competent state's attorney—that is, an attorney of average ability, but who likes to work—does not need an assistant state's attorney in this county. While the statute permits the appointment of an assistant state's attorney, the statute is not mandatory, and I should not ask the county commissioners to employ an assistant state's attorney. I can handle all the duties of this office efficiently without an assistant state's attorney, and can still have some time left for the private practice of law.

"Again, the county should not employ stenographers and pay office rent, furnish supplies, light, telephone, etc., for a state's attorney to engage in the private practice of law. If the

state's attorney has the time and does engage in private practice, he should pay a just proportion of the stenographer's salary out of his earnings from this private business. He should not use county supplies, stationery and postage in his private practice, nor ask the county commissioners to buy him "roll top desks" and office fixtures.

"Lastly, the state's attorney should take care of all county business before any private business. He should stay on the job the year round and at all times remember that he has been hired and paid by the taxpayers of this county to take care of the county business, promptly and efficiently, and yet with as little expense as possible.

"I ask you specially to investigate the above matters and if my plan of conducting this office appears to you to be fair and reasonable, I shall do my part if you will vote for me on November 3rd and elect me to this office.

"Yours sincerely,
"G. S. WOOLLEDGE.
"Minot, N. D., Oct. 1, 1914."

MINOT YOUNG MAN MAKES GREAT RECORD.

Verne Moon, son of Mr. and Mrs. O. H. Moon, is making a remarkable record at the University of California, at Berkeley, which institution he entered recently. Out of 5,000 some students he was the only one who averaged 100 per cent in the military department. Mr. Moon is still a member of Co. D, N. D. N. G., and as an athlete, has few peers. He was prominent in the base ball, foot ball and basket ball teams. Mr. Moon graduated from the Minot High school in 1911 and for three years was employed by the Consumers Power Co. He has taken up electrical engineering. Mr. Moon received a mark of 100 per cent in three other studies and 96 in another.

GIVE "SYRUP OF FIGS" TO CONSTIPATED CHILD

Delicious "Fruit Laxative" can't harm
tender little Stomach, liver
and bowels.

Look at the tongue, mother! If coated, your little one's stomach, liver and bowels need cleansing at once. When peevish, cross, listless, doesn't sleep, eat or act naturally, or is feverish, stomach sour, breath bad; has sore throat, diarrhea, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul, constipated waste, undigested food and sour bile gently moves out of its little bowels without griping, and you have a well, playful child again. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which contains full directions for babies, children of all ages and for grown-ups.
