PANAMA EXPOSITION NOTES
The secretary of the North Dakota Commission in charge of the North Dakota building at San Francisco, wishes to let the people of North Dakota know that when they come to the coast to take in the big exposition, that it will be well for them to bring along their flannels. It is quite cool here when the sun does not shine, and evenings especially, all thru the year. So many people have an idea that it is quite hot in Frisco in the summer, but the contrary is true, and it will be well for all to bear this in mind when they pack their trunks for the trip.
Very few pennants have arrived at the North Dakota building at the exposition grounds at Frisco. It would seem that the commercial clubs of every city and town in North Dakota would be glad to furnish these pennants for the purpose to which they

will be put, and the secretary hopes that a more liberal response will be manifest from now on. Send the pennants parcels post.
More commercial clubs in North Dakota should take advantage of the opportunity to have their literature in the North Dakota building at the San Francisco Exposition. Send this literature to the secretary, North Dakota building, Exposition grounds, San Francisco, California.

TAKES OFF DANDRUFF, HAIR STOPS FALLING

Save your Hair! Get a 25 cent bottle of Danderine right now—Also stops itching scalp.

Thin, brittle, colorless and scraggy hair is mute evidence of a neglected scalp; of dandruff—that awful scurf. There is nothing so destructive to the hair as dandruff. It robs the hair of its lustre, its strength and its very life; eventually producing a feverishness and itching of the scalp, which if not remedied causes the hair roots to shrink, loosen and die—then the hair falls out fast. A little Danderine tonight—now—any time—will surely save your hair.
Get a 25 cent bottle of Knowlton's Danderine from any drug store. You surely can have beautiful hair and lots of it if you will just try a little Danderine. Save your hair! Try it!
