INVERLOCHY FARM.
George Proctor, Owner, Throne, Alta., Can.

Mr. Proctor was for many years foreman farmer for the late General Scarlett, of Inverness, Scotland, and when on a visit here in Minot a short time ago, he was the guest of his old time friend, Colonel Scarlett. Many a talk they had of "Auld Lang Syne" in Bonnie Scotland. George says he will come all the way back to the Burns picnic if the Colonel wears his kilts, for he says he remembers when the Colonel wore them daily and was a gay gallant of that period.

"QUAKER GIRL" COMING TO THE GRAND THEATRE.

The famous musical comedy hit of three continents, "The Quaker Girl," will be presented at the Grand Theatre on Saturday, March 13th, matinee and night, under the personal management of John P. Sloeum. Everyone knows by this time of "The Quaker Girl," and its stay of years in London, Paris and New York, but for those who may have forgotten, it might be explained that the music is by Lionel Monckton, the book by James T. Tanner, and the lyrics by Adrian Ross and Percy Greenbank. After remaining two years in London and a year in Paris the late Henry B. Harris was

fortunate enough to secure the American rights and the results was a year's run at the Park Theatre, New York. The play tells the adventures of an unsophisticated Quaker Miss in Paris, and the score is one continuous success of song hits, the most famous of which is the lilted "Come to the Ball" waltz.

The advance sale of seats is now open at the Minot Drug Co.

WHITE ASH FARMERS DRAW LEADING PRIZE

ALEX OF SARNIA NO. 19716, PURE BRED GUERNSEY BULL, OWNED BY THE WHITE ASH GUERNSEY BREEDERS' ASSOCIATION OF DONNYBROOK, WAS AWARDED FIRST PRIZE AT NORTH DAKOTA DAIRYMEN'S CONVENTION AT MINOT.

The friends of the Guernsey dairy cattle in this territory will welcome the above announcement for the reason that this is the first effort on the part of any of our local dairymen to compete for any prizes with their pure bred stock, and when first prize is awarded to this sire in competition with those entered from the Minot territory—and they have some good ones there—it shows that our people here who are responsible for having this class of stock in our territory, have used good judgment in making their selection.

The White Ash Guernsey Breeders' Association is composed of the following substantial farmers of White Ash Township: H. R. Gieselman, John Cinninger, Alfred E. Swanson, D. A. Vanstrum, Nels E. Holmgren, A. G. Erickson and Axel Sandberg. H. R. Gieselman was elected both president and secretary of the organization.

These progressive farmers have good reason to feel "chesty" to be the owners of a "First Prize Winner" at the State Dairymen's Convention and the Courier wishes to extend congratulations and suggest that this sire be entered at the State Fair next fall.—Donnybrook Courier.
