

# LELAND DEPARTMENT STORE

FRANK & GRAHAM CO.

WHERE THE PRICE IS ALWAYS LOW

MINOT, N. DAKOTA

## The New Spring Garments are Here

"The Leland Store" is now ready to show, for your approval, the biggest stock of garments we have ever shown. Our growing business demanded more lines and bigger assortments and we have responded to the demands of the trade.

Our buyer, recently returned from the Eastern Fashion Centers, secured not only the handsomest line we have ever shown but also the best values.

Easter Sunday comes on April 4th, only three weeks from next Sunday. It would be well to pay us a visit during the coming week and see the new spring garments. The values are wonderful and, you know, the best usually go first.

This illustration does not do justice to the garment itself. It is an excellent spring model, made of heavy coating serge, in the new shades of Sand, Belgian Blue, Navy and Black. Handsome collar made of silk braids **\$11.50**

A number of other handsome models at this low price.

Handsome Tailored Suits in the loveliest styles Dame Fashion has gotten out for many years. Neat tailored models that will not go out of style in a month, thus giving the purchaser their money's worth.

The new shades are Sand, Putty, Belgian Blue, Navy and Black.

Exceptional Values at **\$16.75 and \$18.50**

Styleplus Clothes

## Better Dressed---

### Several Dollars Better Off

This sounds as if we were trying to feature the low price of a suit of clothes. As a matter of fact, we are emphasizing the high quality.

We saw this advantage when we became the exclusive store to sell STYLEPLUS CLOTHES \$17 in this town. Style plus quality are the two thoughts behind this special suit. The makers have a great volume output. By centering their efforts on one suit, the specifications of which are standardized, they were able to produce a quality good enough for any man, then add the distinctive style note of an able fashion artist.

They were able to keep the price down to \$17 because of their volume output and the scientific method of manufacture centered on this one suit.

Come in and see a STYLEPLUS before you spend a cent for clothes this Spring. You will be better dressed and several dollars better off. Big selection because we centered our purchase on this suit of known quality, known style, known price.
