### BURLINGTON.

Little Elizabeth Wistrom is staying at the home of her grandparents, Mr. and Mrs. John Campbell of Minot, and attending a private kindergarten.

The dance given by the "Burlington Push" Wednesday evening was not as well attended as it deserved, owing to the fact that other meetings were scheduled for that evening. The Flaten orchestra is a first class musical organization and any parties that employ these people in the future may be assured of a good attendance.

John Strand returned Friday from Oakley, Minn., where he has been for the past couple months, visiting among old friends and relatives.

Hugh and Harry Roberts, who have been under quarantine for small pox in their shack on the Foote quarter up the Mouse, have been released and again feel that they are in the land of the living.

Mrs. P. M. Cole of Grand Forks called at the home of her parents, Mr. and Mrs. W. L. Millar, for a short visit the last of the week, while on her return home from a visit to her old home at Kenmare.

Will Millar, who has spent the winter here at the home of his parents, Mr. and Mrs. W. L. Millar, left Friday for his homestead at Swift Current, Sask.

Mr. and Mrs. Ben Bach of Minot were guests at the Millar farm the last of the week. Mrs. Bach recently returned from an extended trip to points in Iowa.

Miss Hazel Hogsy was the guest of her sister, Myrtle, at the Normal and witnessed the presentation of the "Little Tycoon" at the opera house that evening.

Mr. and Mrs. Oscar Simonson and Miss Marion Wood were among the Burlingtonites who attended the Normal play at the opera house Friday evening.

The Sunday school has changed the

hour of meeting and hereafter will meet at 11:00 a. m. Let everyone make a note of this fact and resolve to attend. Next Sunday is review and many interesting facts will be presented.

Burlingtonites were all pleased to learn of the birth of a little daughter at the Dr. Pence home in Minot on the 17th. Mrs. Pence, as Miss Stenersen, was formerly a very popular teacher in the Burlington schools.

H. T. Hogsy received a new Overland car on Monday. It is a model of beauty and comfort and has all the latest improvements and conveniences.

The township board met on Tuesday and re-organized. The Board passed a resolution to the effect that all claimants for gopher bounty must be present in person and certify that the tails presented for bounty were secured in Burlington township and were this season's catch. May 15th is the only day upon which the Board meets to pay bounty. John Halvorson was re-elected road overseer at the same salary as he received last season.

Messrs. Cliff Miller and Rolla Johnson left Tuesday for the Panama-Pacific Exposition.

Last Thursday and Friday the Eighth grade finals were held in the upper room and the pupils are now awaiting the results with much interest.

Miss Olive Good left Monday for Westby, Mont., where she will make her future home with her parents at that point.

Miss Margaret Falconer was the guest of Donybrook friends over Sunday, returning Tuesday.

Mr. Harry Falconer of Donybrook was a guest at the home of his uncle, Jas. Falconer, the first of the week. Harry was on the way to his claim at Saco, Mont.

Rev. Young of Ryder occupied the pulpit of the Presbyterian church on Sunday, March 14th and last Sunday evening Rev. Wm. Graham preached. It is expected that Rev. Richmond will be with us and preach this coming Sunday.

Extensive repairs are being made to the brick-making plant at Davis and the big plant will soon be in full operation.

C. L. Smith, of the German-American bank is east on business and pleasure, expecting to visit relatives in Iowa before his return.

Messrs. Alfred and Sydney Olson, representing the Northwestern Sheet Metal & Iron Works, of Wahpeton, have leased 8,000 acres of land from the Canadian government and Mr. Ross left Tuesday for Cypress Hills to begin the survey of the tract so that the proper posts and other details may be made ready. The Olson brothers are brothers of Leo Olson of the Olson-Werner Grain Co. here.

These young men expect to establish a large stock ranch and put considerable money into the venture. This immense tract is leased at 2c per acre and there is every prospect of the venture proving a success.

H. T. Hogsy is under a physician's care, suffering from rheumatism.

We inadvertently misstated a fact in last week's issue by stating that the increase in the resources of the German-American Bank was \$35,000 during the past year. As a matter of fact the increase was over \$54,000.

The Kirkellie Township Board held their annual meeting at the First State bank Wednesday. The new board consists of Ed Durbin, chairman, and M. D. Graham and Adam Esser constitute the balance of the board. Chester Phifer is treasurer and Adrian Hills, clerk. F. E. Bryant, Justice of the Peace. Jerry Korte was elected road overseer.

Leo Olson has become a horse fancier, having purchased three head of trotting stock of John Tralen Wednesday.

Work has begun on the Hogsy building with a view to having it ready by May 1st for the complete new equipment of barber paraphernalia and bath rooms which J. M. April of the City Barber Shop will install as soon as the building is put in readiness.

Miss Martha Flemming of Foxholm

arrived Monday for a short visit with her sisters at the Burlington House.

Pete Bryant, the Tasker merchant, was in town Wednesday.

C. A. Bugge & Co. are having an unprecedented sale on the heavy and light harness which they are selling on a very close margin these days.

H. T. Hogsy expects to leave for So. St. Paul the last of the week, where he will purchase four cars of feeders to be placed on his large stock farm north of town.

Ned Galvin, our Norwegian blacksmith, moved up on his homestead in Kirkellie township St. Patrick's Day. Ned now makes daily trips back to his shop here and is just as busy as ever.

Joe Devorak is getting his gas engine in shape for a big job of plowing as soon as the first sure signs of spring appear.

Burlington people will be glad to hear of the appointment of their fellow townsman, A. D. Scott, to the

position of postmaster of Heaton, the hustling little city where the Scotts now reside.

C. A. Bugge & Co. made a sale of a rifle and ammunition to a party Tuesday that caused considerable comment. A party came in prepared to send to Sears, Roebuck & Co. for his hunting outfit, and just to be fair, asked the price of the same assortment at the Bugge store and found that exactly the same equipment could be purchased here for less money, express considered, and so the sale was concluded on the spot. We are inclined to the belief that if given an opportunity to figure with any party the local merchant can fill your orders for the same money as you send abroad for your purchases.

FOR SALE.  
A 7-room residence on Washington Ave. Phone 255, Youmans.
