LOVE AT FIRST SIGHT.

W. G. Hutchins of the Outcault Advertising Agency of Chicago, will locate in this city. He represents one of the greatest advertising concerns of its kind in the world. He is anxious to get away from the big cities and "fell in love with Minot at first sight."

Dr. Semple, of Langdon, who is preparing to locate in this city soon, spent Thursday in the city looking up suitable office rooms.

IN THE LOCAL FIELD

Forest Rice, J. F. DeArton and son Frank, prominent ranchers from the Blaisdell country, transacted business in the city Friday.

Miss Hanna Olson and Miss Minnie Beardsley, two of Minot's prominent nurses, are attending the San Francisco exposition.

H. O. Lee, one of the prosperous Carpio farmers, visited the city Monday. He has prospects for one of the greatest crops he has grown since coming to North Dakota.

John Renz, north of Minot, has a four acre field of alfalfa that is about the prettiest spot in this section. The alfalfa stands nearly a foot high and will soon be ready to cut. He has seeded more land to this crop.

Phil Myers, popular proprietor of the Temple Court Cafeteria, has nineteen acres of garden. He will grow choice potatoes, sweet corn and other fancy garden "sass" for his patrons. Mr. Myers is farming on a large scale as well, as he has over 500 acres in crop.

Mrs. G. E. Sanderson and three children, of Quincy, Wash., arrived Sunday and are spending the week at the home of Mrs. Sanderson's sister, Mrs. Harry Dingman. The sisters will leave the latter part of the week for Minneapolis where their father, Mr. Bakke, lies seriously ill from paralysis.

Mr. and Mrs. A. F. McLane and Mr. and Mrs. Lawrence Eby are planning an auto trip to San Francisco later in the summer in Mr. Eby's Buick. Mr. Eby will do the driving and he expects to make the trip in eight days, counting delays for punctured tires, etc. Mr. McLane is a delegate to the big insurance convention and the party will enjoy the exposition and many sights enroute.

Last week we failed to mention the presence of Geo. N. Grilley, of Deering, as one of the old soldiers attending the state encampment. He brot his wife to the city and the couple thoroughly enjoyed themselves. Mr. Grilley was a member of the famous 14th Army Corps that was never whipped. He looks every inch a soldier despite his advanced years. He became distinguished in the Civil war, being advanced to First Lieutenant.

L. A. Mann, a prominent Berthold farmer, visited Minot Saturday, bringing his daughter here to be treated for appendicitis. Mr. Mann has over 500 acres in crop, all looking splendid. He has never had a crop failure. Last year he grew a small field of corn, not more than 20 acres, and wintered 16 cattle and 14 horses, besides he has a good deal of the feed left. The stock came out fat and sleek in the spring. Hogs followed the stock and fattened nicely on the waste alone.

Little Lester Peck, the six-year-old son of Warren Peck of Granville, who lost his sight completely, is staying at the home of Mr. and Mrs. Geo. Hoover of this city where he will remain until fall, when he will enter the school for the blind. Little Lester was shot thru the temple by a brother by accident while playing recently, the bullet destroying the optic nerve. Lester is a bright little lad and finds much pleasure in life, despite the fact that forever he will have to miss seeing the pretty sights enjoyed by other boys.

J. L. Van Buskirk and Melvin Johnson, prominent Evergreen township farmers, came down from Berthold Wednesday to attend the big Equity meeting.

All those who desire a landscape plan of their lawns or elsewhere should see J. E. Yerrington, landscape gardener for the N. W. Nursery, who now has charge of beautifying the Normal grounds. Those purchasing stock now will have supervision furnished in planting and stock replenished should it fail to develop this season. Address J. E. Yerrington, Minot, N. D. 4-29-17*

Two Women Given Jail Sentences.

Laura Hanson and Stella Francis, who have given the police considerable trouble, were arrested for disorderly conduct and given a ten day sentence in the city jail, fine and costs, amounting to \$19, in default of which they must spend ten additional days in jail. They appeared before Judge Lynch, who sentenced them.
