Mrs. Russell Oard, Mrs. Kuchenbecker, Mrs. Bean, Miss W. Bean, Mrs. Himes of Minot, Mrs. A. Bergeson, Mrs. J. C. Oard, Miss Iola Horning, Miss Teigan,

Baking Powder Biscuits

Light as a Feather
By Mrs. Janet McKenzie Hill, Editor of the Boston Cooking School Magazine

Baking Powder Biscuits made by this recipe are so far ahead of ordinary baking powder biscuits that, if once tried, you will never use any other recipe. Try it the next time you run short of bread. Save this recipe.

K.C. Baking Powder Biscuits
Three cups flour; 1/2 to 3/4 cup shortening; 3 level teaspoonsful K.C. Baking Powder; about 1 cup milk or water; 1 teaspoonful salt.

Sift three times, the flour, salt and baking powder. Work into the flour the shortening, using lard or butter for shortening. Then mix to a very soft dough with the milk. The softer the biscuit enters the oven, the lighter it comes out. Never knead baking powder biscuits; press the dough into shape and roll lightly. Cut in small shapes and bake on a sheet or very shallow pan in a hot oven. In placing biscuits in the pans place well apart, not allowing edges to touch. Small biscuits are better than large ones. Large biscuits do not have the proper amount of time to raise and bake.

Have you seen the new K.C. Cook's Book? Brimful of appetizing recipes that simply must be successful every time if the few simple directions are carefully followed. You would gladly pay 50 cents for this valuable book, yet we send it absolutely free upon receipt of the colored certificate packed in every 25-cent tin of K.C. Baking Powder. JAGUES MFG. CO., Chicago. Small cans do not have Cook's Book certificates.

Hinman Milking Machine

A success for seven years. Milking a quarter million cows twice a day
The Hinman Milking Machine has been awarded the GOLD MEDAL at the Panama Pacific Exposition of 1915

and Miss Mabel Stredwick were prominent among the many who gave of their services to aid a good cause, and Mrs. Hecker, Miss Maud Nedrud, Miss M. Hecker and Miss Bean, Miss M. Shintz, Master Free Cook and Kenneth contributed to the program. Miss Nedrud was heartily and deservedly honored for an exceptionally fine rendering of a taking song. Mr. W. Humphrey and Mr. H. G. Teigan addressed the meeting, making clear the aims and objects of those who aim to secure for Logan a suitable hall. The orchestra, which included Prof. Ira Oard, H. G. Teigan, Ralph Oard and Mrs. Bergeson, can be described as the finest in the state and Logan was fortunate to secure their services.

Business at the Hotel Metropole is exceedingly brisk and the venerable Dad is not to be intimidated by the introduction of any red, yellow or blue type of cook car that may be set up in opposition to his well established hostelry.

The Hotel Egan almost reports all rooms engaged, and it has become necessary to build an annex after the manner of the Leland, Minot. Logan grows apace. The new elevator is soon to be completed, a crew of half a hundred skilled carpenters being busy from early morn till dewy eve. The lumber sheds in course of erection add both to convenience and possibilities of the local yard. Plans have already been submitted for several new business houses to be erected this fall and the local capitalists have promised the introduction of electric lights in the course of the next few weeks.

EAST HIGHLAND.

Mrs. P. T. Conklin and son Harold of North Prairie visited her parents, Mr and Mrs. J. S. Welty, last Thursday and Friday.

Mr. and Mrs. Milo Pitkin of Sawyer visited at the home of S. S. Streeper last week.

Mrs. Henry Good and son called on several families in East Highland last Friday.

Mrs. Fred Hamilton entertained the Larkins Club last Thursday and Mrs. Guy Sharar entertained the Highland Ladies Aid the same afternoon.

Mr. and Mrs. Gus Anderson of near Velva spent the Sabbath at the home of R. W. Beighle's. This is their first visit to Highland in thirteen years and they found the country improved beyond their expectations.

The families of M. M. and C. S. Beighle attended church at Highland Sunday evening, bringing Rev. Farrer with them in their auto.

Miss Verna Daniels of Sawyer stayed over Sunday with Alpha Sharar.

Mary Bivins is spending several days with her sister, Mrs. Nels Peterson near Makoti, before school begins.

The following is a list of accidents during the past week. Miss Hattie Louis, while on her way to Mrs. Updike's on horseback, ran into a barb wire across the road or trail and cut her arm in several places. Mr. Guy Sharar, while bathing in the river at Sawyer, stepped on a broken glass and cut his foot quite severely. He now goes on crutches but is getting along nicely. Little Burnell Long had his hand injured by being caught in a hay rope. Mrs. G. G. Reilly has a broken nose as the result of their auto running into a hole in the road. This is not the first instance of someone being hurt at this same place in the highway.

E. B. Bivins and Miss Myrtle Walker have been on the sick list.

J. S. Baker helped Everett Bunker harvest his barley Monday and Tuesday.

E. R. Walker and family spent Sunday at Scofield's ranch near Minot.

Mr. and Mrs. Reed and children, Gladys and Fred, of Montana, are visiting Mr. and Mrs. Sturt Reed of Highland.

A number of the friends of Lucile and Fern Bunker gave them an agreeable surprise Monday evening by gathering at their home to spend the evening in playing games on the lawn.

Mr. and Mrs. I. G. Bunker visited J. S. Baker's Sunday.

Mr. and Mrs. Earl Tiller, formerly of Minot, are again enjoying a dwelling on the farm of Earl's father and Earl expects to help with the farm work as his father's health does not permit him to do too much hard labor.

LET CONTRACT FOR SONS OF NORWAY BUILDING.

The contract for the building of the Sons of Norway block was let to Bar telson, a local contractor, for \$19,365. This price does not include the heating and lighting of the building, which will cost about \$3,000 more.

The building will be completed by Nov. 15 and the excavation has about been completed. The building will have a cement basement with super-structure of brick, the facing to be a beautiful brown pressed brick. The location is beautiful. The building will stand where it can be plainly seen from every incoming train on the Great Northern.

Minot won last game of the season. Minot won the last game of the season on the local diamond when the Berthold team was trimmed 5 to 3. Berthold has an unusually strong team but Parrish, their pitcher, did not receive the usual support. Minot used three pitchers. Leigh started, but was troubled with a lame arm. Ludtke succeeded him in the sixth but was hit so easily that Clayton finished.

Investigate Before You Invest. The Roell Hardware Co. has an attractive Monarch Malleable Range advertisement in this issue. This company handles reliable stoves. How much better it is to patronize a local concern than to invest in goods offered by one of the unreliable steel range peddlers. Investigate before you buy. You can save money.
