

There are two important reasons for buying Furniture here; high quality and low prices. We might dwell on the matter of quality every day during a month and still leave untold much of interest to anyone having a home and appreciating good Furniture.

WEINREBE'S

The present season shows an unusual interest in many of the famous period designs. We are taking the lead in showing many splendid suites in such designs as the Adams, Chinese Chippendale, William and Mary Jacobean. We also show a wide variety of colonial patterns.
