BRIEF STATE NEWS

Mrs. W. H. Lounsbury of Wahpeton is said to have eloped with a stranger on Nov. 30th, taking with her a daughter eight years of age.

A man by the name of Carlson living near Shields lost a valuable cow when it fell thru a hole in the ice which had been cut open for watering purposes.

There was excitement at a high pitch at Balfour last week, when two Soo Line freights came together on the main line and scattered cars in every direction.

While members of the family were away, burglars entered the residence of Rev. Ingbour Ness, of Fargo, and took \$15 in cash from a Sunday school mission box and about \$10 from the divine's vest and trouser pockets.

The Bottineau County Boys' Farming club, with a charter membership of 180, is a culmination of the Bottineau County Boys' Short Course in Agriculture held in that city last week. On the last day of the session the boys elected the following officers: President, Erick Schultz, Willow City;

Doughnuts

That will remain moist.

Every housewife who bakes her own bread knows that if a little potato is added to the sponge, the bread will not dry out as quickly. In this recipe potato is utilized to make doughnuts that will remain moist and fresh for several days.

K C will be found to have distinct advantages over any other Baking Powder for doughnuts. K C is a double acting baking powder with which a large batch of doughnuts may be mixed and fried a few at a time. The last will be as light and nice as the first.

K C Potato Doughnuts
By Mrs. Nevada Briggs, of Baking School fame.

3 cups flour; 2 eggs; 1 cup sugar; 4 level teaspoonfuls K C Baking Powder; 1/2 teaspoonful salt; 1/2 teaspoonful mace; 1 cup cold mashed potato; 1 cup milk, or more if needed.

Sift three times, the flour, salt, spice and baking powder. Beat eggs with rotary beater, then still using rotary beater, gradually add sugar, then work in the mashed potato with a spoon and alternately add milk and flour mixture. Make a soft dough, roll into a sheet, cut into rounds, pinch a hole in the center with the finger and fry in deep fat.

Fat for frying should not be hot enough to brown the doughnut until it has risen. When the doughnut is dropped into the fat it sinks to the bottom. As soon as it comes up it should be turned and turned a number of times while cooking. This recipe is excellent as they do not take the fat in frying and will stay moist for days.

vice president, Roy Holming, Lansford; secretary, Martin Vinje, Bottineau; treasurer, Selmer Sivertson, Carbury.

Noble Rentfro has been returned to the state from Windsor, Ill. He forged checks at Eldridge last summer. He was given one year in the Bismarck pen. He is 19 years old and was convicted at Jamestown.

Frank Wurth, of Conway, was arrested by Sheriff N. O. Nelson on a complaint of the county superintendent of schools, charged with the violation of the compulsory education law, which compels the attendance of school children between the ages of 8 and 15 years.

The fourth annual show of the Ransom county poultry association will be held at Lisbon January 3 to 8. With three silver cups in competition, fanciers of the county will be out with splendid strings of birds for the event. E. G. Roberts of Wisconsin will be the judge.

Arthur Stenerson, who was graduated last spring from the Stout Manual Training school of Menomonie, Wis., and who has been teaching manual training at Hettinger, has broken down from overwork and has been committed to the state hospital for the incurable insane at Mendota, Wis. He was taken home from Hettinger last Sunday.

Two boy bandits who robbed a store at Barlow, near Jamestown, in Foster county, on Dec. 20th, were recently sentenced to three years in prison by Judge J. A. Coffey. The boys secured \$113 from the proprietor, who they held up at the point of an empty pistol. They were captured three hours later and gave their names as Joseph Leary and Frank Benton, refusing to give their real names because they did not want relatives in the east to know they were criminals.

That T. O'Connor, formerly of Fargo, the man who is said to have confessed at Houston, Minn., to the murder of Dr. T. S. Egge, of Moorhead, Minn., on Labor day night, Sept. 6th, 1909, for which Frank H. Kethman is now serving a life sentence at Stillwater, was drunk at the time and that his motive was robbery, is a part of the information contained in the letter written by W. M. Miller of Eresbach, Minn., to Judge C. A. Nye, of Moorhead, and which is now in the hands of Attorney General Smith, who will make an investigation.

Thru its president, S. G. Fadden, the Hawkeye Valley Farmers' Club of McKenzie county is submitting to other farmers clubs of the state a proposition for a state convention. Mr. Fadden suggests that a state meeting of representatives from every farm club in North Dakota be held at some centrally located point this winter. Many matters of importance to the farmers of the state as a whole could be taken up for consideration and a permanent state organization of the farm clubs of the state could be effected.

A fatal accident occurred one day last week near Enderlin when Wm. Hanson and Joseph Robbideau, who were riding a motor cycle collided with a team of horses and a buggy driven by George Pollock. The vehicle was going in the opposite direction and the motorist failed to turn out far enough to pass the team and avoid an accident. The machine hit the air, killing him almost instantly, and Hanson, who owns the motor cycle, was badly bruised about the head and had one leg broken. The injured man is being cared for in the hospital at Fargo. Both young men worked in the vicinity of Enderlin.

That this year's big crop and the prevailing good prices have lifted the burden of debt from the shoulders of many farmers of McKenzie county who have been working against the problems that confronted settlers in a new land, is shown by the large number of satisfactions of chattel mortgages which are being recorded. For more than a month a deputy in the register of deeds office has been constantly engaged in filing such satisfactions. Register of Deeds H. H. Swanson says that more than three times as many were recorded in November and December this year than in any other period of time the same length in the history of the office.

Andrew Woodware, a sixteen year old lad, claiming his home is in Michigan, was recently found by Soo line car repairers in the railway yard at Enderlin nearly frozen and starved to death. The boy says that one night he crawled into a box car in Weyerhaeuser, Wis., to sleep, thinking that a train would pick up the car and take it east. Instead the doors were closed and he was held a prisoner, being unable to let anyone know he was inside until he reached Enderlin, N. D., when the car repairers heard his groans and came to the rescue. Without food or drink he became famished and was unable to keep from freezing. He has his hands and feet badly frozen and was taken to the hospital in Enderlin, where he will recover after the amputation of several of his toes.
