NOTICE.
The Minot Farmers' Co-operative
Elevator Co. will be ready to receive
grain in its new elevator building
south of the Riverside Grocery, Sept.
15. We will be pleased to meet all
of our friends and new patrons as well
after that date.
8-31-tf SEVER SOINE, Manager.

While Ward county can doubtless
furnish many instances of four gener-
ations within her confines, the accom-
panying cut portrays those in
whom Logan takes both pride and in-
terest, for each of these good ladies
are living within a mile of the town.
Mrs. Emma Ellen Stredwick, who
with her respected partner, Reuben,
has enjoyed the vicissitudes of thirty

FOUR GENERATIONS OF THE STREDWICK FAMILY

years of pioneer life, in the immed-
iate vicinity, shares the affection of
fifteen children, and the solicitude of
thirty-three grandchildren. The re-
cent celebration of a golden wedding
emphasized the esteem a community
was anxious to express.
Mrs. Kate M. Waldref arrived from
England in 1890 and five years later
was happily married to Rob Waldref,

whose farm just east of town is
among the most picturesque, produc-
tive and profitable that the county af-
fords. Mrs. Waldref has ever taken
an active interest in all that tends to
make the world a better place to live
in. Her daughter, Laura, who in the
spring of 1915 linked her future with
Mr. DeForrest Ross, is one of a fam-
ily of five, upon each of whom Nature

has bestowed many charms, and de-
spite the claims of the fourth gener-
ation representative upon her time and
attention, extends to all social func-
tions a sincere interest.

Of Bernadine let us but convey the
wish that Logan would express, that
happiness may attend her path thru
Life's pilgrimage.

BRIEF STATE NEWS

Should old acquaintance be forgot,
And never brought to mind?
It should, if old acquaintance be
The money touching kind.

The Advocate is elated over the talk
that Bantny will soon be lighted by
electricity.

Miss Dagny Lilliquist, twenty years
old, committed suicide at the home of
W. J. Pierce in Grand Forks, where
she was employed.

A full grown bald eagle, the talons
of which were as large as a man's
fingers, was shot in the Twin Lake re-
gion in the vicinity of La Moure, by
Albert Diesem.

Accused of transporting a girl of
eighteen from Calgary, Can., to North
Dakota, Martin Fremstead was placed
under arrest near Saries.

S. Severson, a farmer, was killed
when his automobile overturned near
Wellsburg. It is believed the head-
light of an approaching car blinded
him.

The depot at Churches Ferry which
was destroyed by fire last week con-
tained 50 gallons of booze and eight
barrels of beer. Someone had to go
dry.

T. L. Smith and others shipped a
carload of timothy seed from Glen-
burn last week. The value of the car
ran close to \$2,000. Timothy seed
from this locality is in good demand
because of its high quality.

William Fishman, clothing store
proprietor of Grand Forks, sold a shirt
for \$1.25. When the patrons left via
the back door after going to the rear
to change shirts, Fishman discovered
the cash drawer's contents, amounting
to \$125, had gone too.

While intoxicated, Walter Utzinger,
entered unbidden, the home of Mr. and
Mrs. Melborne of Fargo and seizing

assailant was bound over to the dis-
trict court for trial.

Through the establishment of a tow
mill in Dunn Center farmers of the
district will realize returns on their
flax straw which heretofore have been
denied them. The company will pay
\$2.00 a ton for the straw and it is ex-
pected that 2,000 tons will be market-
ed this season.

Sergeant Major W. A. Stickley to-
day was granted a discharge from the
regiment, under the provision of the
dependent clause. While every mem-
ber of the "First" regrets losing
"Stick", they feel that there is no one
as deserving as he has been a contin-
uous member of the First North Da-
kota National Guard for over 26
years, having enlisted in the band in
May, 1890, as one of the charter mem-
bers. Two years ago he advanced to
the office of Sergeant-Major, which
place he has ably filled ever since.

MOTOR CAR

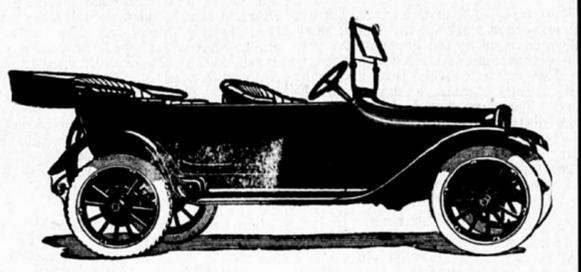

Dealers say that the disposi-
tion to discuss the price of the
car is so rare as to be unusual.

Apparently the first, and the almost
universal, thought is of the good-
ness of the car.

It will pay you to visit us and examine this car.

The gasoline consumption is unusually low
The tire mileage is unusually high

The price of the Touring Car or Roadster complete
