THIS NEW VOCALION HAS A PERFECT STOPPER

machines. Prices range from **\$35.00, \$50.00, \$75.00, \$100.00, \$150.00 and up.**

We want you to see these handsome new Vocalions because we know if you now own another make you will get busy and trade or sell it so that you can own a Vocalion. You can play most all makes of disc records on the Vocalion. Come see the world's best value in a phonograph. Vocalions are now found in the finest homes in the United States.

You don't have to jump out of your easy chair or up from the dining table when this instrument has played the record from start to finish. About ten seconds after the music stops the stopper on the Vocalion quietly stops the machine. You can go start it again at once or at your convenience. In other words, if you are busy reading an interesting article, keep on reading as long as you like. You can't do that with any other talking machine that we know about. Besides this perfect automatic stopper this new Vocalion has a piano finished cabinet that is much the finest finish that has ever been put on any talking machine at any price. The tone control feature is the best device yet invented. It is found only on this fine new Vocalion. Come in and look over our display of these new

numerous during windy weather. A barrel of tar in front of the new Eby & Young garage, corner Fourth avenue and First street southwest, caught on fire the evening of Oct. 3. The damage was confined to the tar in the barrel.

The fire department was called to the Fred Molson home, on Third street southwest, Sunday afternoon to put out a blaze that started in a wood shed.

The department was called to the Soo right of way near the skating rink Monday to put out a blaze that started in some weeds and dead grass.

Fire started from a gasoline torch in the basement of the Champlin Motor Co., destroying an Elcar belonging to a traveling man who had left the car for storage. The damage to the car was estimated to \$780. The top and seats of another car were destroyed before the blaze was extinguished.

Raise in Price of Tobaccos.

The war tax has hit the man who uses tobacco rather heavily, but any one who uses the weed ought to be willing to pay the price, and they might just as well do it smilingly.

Minot dealers announce the following change in price of tobaccos, and the increase in price will apply to practically every city in the United States:

All five-cent cigars—two for 15c or 4 for 25c.

All ten-cent cigars—2 for 25c.

All two-for-25c cigars, 15c straight.

All 5c tobaccos—2 for 15c or 4 for 25c.

All 10c tobacco—2 for 25c.

Chewing tobacco will be raised accordingly.

Foot Crushed at Logan.

A young man from Duluth, nineteen years of age, who was beating his way on a Soo train, met with an accident at Logan last Thursday, losing half of a big toe and the middle

toe of the same foot. He was taken to Velve by the train crew where a doctor dressed the foot and he was sent back to Minot and taken out to the county farm. He is now in the hospital. He has promised Commissioner Vandenoever that upon his recovery, if he secures a job, he will reimburse the county for his hospital bill.

Several Minot Men Will Return From Camp Dodge.

E. L. Rowan, custodian of the Elks' Home, received a letter from Wm. Hicks, one of the Minot young men in training at Camp Dodge, stating that Clarence Vandenoever of this city had been in the hospital receiving treatment for bunions and that he had been excused from service on this account. Mr. Hicks stated that he expected that Mr. Vandenoever would return to Minot at most any time. He also stated that there were eight or ten others from Minot who would probably be returned on account of physical disability.

Bought Hay for County Farm.

Commissioners Vandenoever and Rohe motored to Towner one day this week where they purchased forty tons or three cars of hay for the Ward county farm. They secured the hay from Mr. House on the Limberg ranch for \$16 a ton. Much of the hay at Towner has been sold and most of the other is being held at \$18 a ton.

Commissioners Lokensgard, Hennessy and Vandenoever went to Benedict looking for hay, but found the price very high and much old hay mixed with the new.

EDITOR'S SON WINS HIGH ARMY OFFICE

Waldo C. Potter, son of Editor and Mrs. Franklin C. Potter of Casselton, has just been promoted to major in the regular army at the age of 31. He was promoted from captain and it is claimed that he is one of the youngest majors in the army today.

Major Potter graduated from West Point ten years ago and since that time has seen service for his country in nearly every country in the world. He was born in LaMoore but spent most of his boyhood in Cass county.

WILL HOLD BIG CATTLE SALE

J. A. Beaudry, a prosperous farmer who resides four and a half miles north of Douglas, will hold a big cattle and farm sale at his place Friday, Oct. 19. Mr. Beaudry was in Minot Wednesday making arrangements for his sale. He has disposed of his farm, consequently everything must go. Mr. Beaudry will sell 23 head of cattle, including some choice high grade Guernseys, and his full blooded Guernsey bull. He also offers for sale fifty or sixty tons of hay, which ought to find ready buyers. A full announcement appears in this issue.

FARMER HAS HAY FOR SALE

Harry J. Rodgers, a prosperous Benedict farmer-stockman, drove to Minot Wednesday with his new Overland car. Mr. Rodgers informs us that in addition to having enough hay for all of his stock, he has about 75 tons of first class hay for sale. He expects to get \$12 a ton for it in the stack if it is sold soon. He says that cows are bringing a big price at the Benedict sales, but horses are selling at the lowest figure known in years.

Will Discuss Proportional Representation.

Effective voting will be the first subject discussed by the Fortnightly Club at the opening meeting of the season next Monday night, Oct. 15th, at 8 p. m. Walter J. Willard, the field secretary of the American Proportional Representation League of Philadelphia, will be the speaker and will conduct a mock election to show the advantages of the method proposed in electing a truly representative body. The method is used in New Zealand, South Africa and other Brit-

ish Colonies. It has been used in different ways for many years in Denmark, Sweden, Finland, Belgium, Switzerland and Bulgaria. The newly formed Liberal Party have made it a particular plank of their platform. All persons interested in applied democracy are extended a cordial invitation to be present by the president of the club, Bruce Francis, superintendent of the city schools.

East Highland

Elmer Benton and Van Hudson left Monday afternoon for Iowa where they expect to spend the fall husking corn. Minot visitors last Monday included Mrs. G. G. Reilly and son, Melvin, and

daughter, Bernice, Mrs. E. Bunker and daughter, Ruth, A. F. Muzzy and family, Mr. and Mrs. Elmer Benton and son, Joseph, Ernest Muzzy, E. R. Walker, Everett Bunker, E. B. Bivins, F. M. Long and Clarence Bivins.

Fred Baker and Guy Bivins began work at the Beighle coal mine last Monday.

Myrtle Walker took an auto load of volunteers to their class meeting at May Ingersoll's Saturday afternoon.

Barney Pitkin and family from North Prairie visited at R. W. Beighle's Sunday afternoon.

James Fairley took supper at the E. Bunker home Monday evening.

Melvin Rielly visited Dr. Ransom Monday.

Rev. Spacht and family took dinner at the F. M. Long home Sunday.

Jean Bunker spent Sunday night with Lola Baker.

Miss Amundson spent the week-end at the Chas. Taylor home.

Those on the sick list the past week were J. S. Baker, Mrs. Clarence Bivins and Ruth Bunker.

Guy Bivins and Samuel Shuss spent Saturday and Sunday with Nels Peterson's near Makoti.

Douglas Beighle, F. M. Long and E. Bunker made a trip to the hills Saturday for hay.

Lucile Bunker spent the week-end with home folks.

Marvel Baker Sundayed at home. withbebb—
